Notice for RKBA Orgs.

If you wish to get your state organization listed on this page send an email to admins@handgunlaw.us Please put "State RKBA Org" in the Subject Line. if you don't follow these rules when sending an email to get your site listed most likely it will get deleted and I will never see it. I get tons of spam every day.

If there is a change in your URL or you find a broken link please report it using the same email address as above. Please put "Broken . Link" in the Subject area.

There are many chat forums associated with just one state out there. To find them go to google.com and type in the name of the state and RKBA and you should be able to find a chat forum just for your state.

We will not list sites that are just chat forums.

Please don't ask us to list your site if it is just a chat forum. I will check every link to make sure it meets our criteria.

You will receive an email stating your URL has been listed. It will take some time before your site shows up on the list. Please be patient.
