

State Name

May Issue

Must Inform Officer:

State Name is a link to that states Official Website.

May issue means the state must issue you a Permit/License to Carry if you meet the requirements. Shall Issue means they don't have to For about any reason they state.

Must Inform Officer: Yes or No

Means is there a state law that says you must inform any Officer who approaches you on any type of official business that you must inform them that you have a Permit/License to Carry and have a firearm on your person. If it says YES and you fail to inform you are breaking a state law. If you must inform there will be a section down the page giving info.

To the right are links to mostly Official State web pages on subjects of interest to those who carry or want to know the States laws on firearms etc.

Last updated gives the date this page was last updated.

The map in this area shows the states that honor this states Permit/License to Carry.
