Permitless Carry In Arizona

Arizona has passed "Permitless Carry." That means anyone who can legally own/possess a firearm and is 21 or older can carry it concealed without any type of permit/license. This new law becomes effective July 29, 2010. Those who wish to carry in Arizona without a permit/license from AZ or any other state can not carry in the places listed in the "Places Off Limits Even With a Permit" section below. Arizona did not remove other restrictions in their law when they passed Permitless Carry. If you choose to carry without a permit from Arizona or any other state you must also abide by the following restriction.

ARS 4-229. Licenses; Handguns; Posting of Notice

A. A person may carry a concealed handgun on the premises of a licensee who is an on-sale retailer unless the licensee posts a sign that clearly prohibits the possession of weapons on the licensed premises. The sign shall conform to the following requirements:

2. Contain a pictogram that shows a firearm within a red circle and a diagonal red line across the firearm.

3. Contain the words, "no firearms allowed pursuant to A.R.S. section 4-229".

B. A person shall not carry a firearm on the licensed premises of an on-sale retailer if the licensee has posted the notice prescribed in subsection A of this section.

C. It is an affirmative defense to a violation of subsection B of this section if:

1. The person was not informed of the notice prescribed in subsection A of this section before the violation.

2. Any one or more of the following apply:

(a) At the time of the violation the notice prescribed in subsection A of this section had fallen down.

(b) At the time of the violation the person was not a resident of this state.

(c) The licensee had posted the notice prescribed in subsection A of this section not more than thirty days before the violation.

D. The department of liquor licenses and control shall prepare the signs required by this section and make them available at no cost to licensees.

Note: If you do not have a permit/license issued by the State of Arizona or any other state you can not carry into places that serve alcohol for consumption on the premises. See [4-244 \(30\) \(c\)](#) That a Permit License is required.

[ARS 13-421.](#) Justification; Defensive Display of a Firearm; Definition

A. The defensive display of a firearm by a person against another is justified when and to the extent a reasonable person would believe that physical force is immediately necessary to protect himself against the use or attempted use of unlawful physical force or deadly physical force.

B. This section does not apply to a person who:

For Federal Restrictions on Firearms see the [USA Page](#).

Do “No Gun Signs” Have the Force of Law?

“YES”

Arizona does not require any specific wording, size, location or format for **No Firearms** signs which prohibit the carrying of a firearm on private property. The only requirement is that the signs provide a **Reasonable Notice** that firearms are prohibited. They do not need a sign if the property owner has someone at the door giving notice to those who enter. If you enter a property that does not have signs and the owner or person in charge of the property ask you to remove the firearm you have to or you can be charged with trespassing.

Arizona does have wording in their law concerning the posting of Places that Serve Alcohol and specifications for that posting. See [4-229](#). However a place that serves alcohol can post any type of no gun sign they wish and they have met the letter of the law and [4-229](#) penalties can be applied.

Failure to obey a properly posted sign or the verbal instructions of the property owner or those who represent then could result in you being charged with Criminal Trespass.

You can enter an establishment that serves alcohol if it is not posted. Those carrying under Permitless Carry without any permit/license from any state can't carry into any establishment that serves alcohol whether it is posted or not.

Note: Handgunlaw.us believes when you come across a business that is posted that you not just walk away. That business needs to know that they lost your business because of their “No Gun” sign. Giving them a “No Firearms = No Money” card would do just that. You can print free “No Firearms = No Money” cards by going [Here](#).

Must Inform Officer Immediately on Contact By Law?

“NO”

In Arizona the law does not require you to inform an Officer you have a permit/license to carry if approached by that Officer on any type of official business. But Arizona law does state the following:

[ARS 13-3102](#). Misconduct Involving Weapons; Defenses; Classification; Definitions

A. 1. Carrying a deadly weapon except a pocket knife concealed on his person or within his immediate control in or on a means of transportation:

(b) When contacted by a law enforcement officer and failing to accurately answer the officer if the officer asks whether the person is carrying a concealed deadly weapon; or...

N. For the Purposes of This Section:

1. "Contacted by a law enforcement officer" means a lawful traffic or criminal investigation, arrest or detention or an investigatory stop by a law enforcement officer that is based on reasonable suspicion that an offense has been or is about to be committed.

[ARS 13-3112](#). Concealed weapons; qualification; application; permit to carry; civil penalty; report; applicability

A. The department of public safety shall issue a permit to carry a concealed weapon to a person who is qualified under this section. The person shall carry the permit at all times when the person is in actual possession of the concealed weapon and is required by section 4-229 or 4-244 to carry the permit. If the person is in actual possession of the concealed weapon and is required by section 4-229 or 4-244 to carry the permit, the person shall present the permit for inspection to any law enforcement officer on request.

Note: So if an Officer Ask if you have a firearm by law you must give the Officer an answer.

A political subdivision's rule or ordinance that relates to firearms and that is inconsistent with or more restrictive than state law, whether enacted before or after July 29, 2010, is null and void.

E. A political subdivision of this state shall not enact any ordinance, rule or regulation limiting the lawful taking of wildlife during an open season established by the Arizona game and fish commission unless the ordinance, rule or regulation is consistent with title 17 and rules and orders adopted by the Arizona game and fish commission. This subsection does not prevent a political subdivision from adopting an ordinance or rule restricting the discharge of a firearm within one-fourth mile of an occupied structure without the consent of the owner or occupant of the structure. For the purposes of this subsection:

1. "Occupied structure" means any building in which, at the time of the firearm's discharge, a reasonable person from the location where a firearm is discharged would expect a person to be present.
2. "Take" has the same meaning prescribed in section 17-101.

F. This state, any agency or political subdivision of this state and any law enforcement agency in this state shall not facilitate the destruction of a firearm or purchase or otherwise acquire a firearm for the purpose of destroying the firearm except as authorized by section 13-3105 or 17-240.

G. This section does not prohibit a political subdivision of this state from enacting and enforcing any ordinance or rule pursuant to state law or relating to any of the following:

1. Imposing any privilege or use tax on the retail sale, lease or rental of, or the gross proceeds or gross income from the sale, lease or rental of, firearms or ammunition or any firearm or ammunition components at a rate that applies generally to other items of tangible personal property.
2. Prohibiting a minor who is unaccompanied by a parent, grandparent or guardian or a certified hunter safety instructor or certified firearms safety instructor acting with the consent of the minor's parent, grandparent or guardian from knowingly possessing or carrying on the minor's person, within the minor's immediate control or in or on a means of transportation a firearm in any place that is open to the public or on any street or highway or on any private property except private property that is owned or leased by the minor or the minor's parent, grandparent or guardian. Any ordinance or rule that is adopted pursuant to this paragraph shall not apply to a minor who is fourteen, fifteen, sixteen or seventeen years of age and who is engaged in any of the following:
 - (a) Lawful hunting or shooting events or marksmanship practice at established ranges or other areas where the discharge of a firearm is not prohibited.
 - (b) Lawful transportation of an unloaded firearm for the purpose of lawful hunting.
 - (c) Lawful transportation of an unloaded firearm for the purpose of attending shooting events or marksmanship practice at established ranges or other areas where the discharge of a firearm is not prohibited.
 - (d) Any activity that is related to the production of crops, livestock, poultry, livestock products, poultry products or ratites or storage of agricultural commodities.
3. The regulation of commercial land and structures, including a business relating to firearms or ammunition or their components or a commercial shooting range in the same manner as other commercial businesses. Notwithstanding any other law, this paragraph does not:
 - (a) Authorize a political subdivision to regulate the sale or transfer of firearms on property it owns, leases, operates or controls in a manner that is different than or inconsistent with state law. For the purposes of this subdivision, a use permit or other contract that provides for the use of property owned, leased, operated or controlled by a political subdivision shall not be considered a sale, conveyance or disposition of property.
 - (b) Authorize a political subdivision through a zoning ordinance to prohibit or otherwise regulate the otherwise lawful discharge of a firearm or maintenance or improvements directly related to the

discharge, on a private lot or parcel of land that is not open to the public on a commercial or membership basis.

(c) Authorize a political subdivision to regulate the otherwise lawful discharge of a firearm or maintenance or improvements directly related to the discharge, on land that is used for agriculture or other noncommercial purposes.

4. Regulating employees or independent contractors of the political subdivision who are acting within the course and scope of their employment or contract For the purposes of this paragraph, acting within the course and scope of their employment or contract does not include the lawful possession, carrying, transporting or storing of a firearm or other Weapon:

- (a) on real property that is owned by the employee or independent contractor.
- (b) in or on a private vehicle or craft that is owned or operated by the employee or independent contractor unless the ordinance or rule violates another applicable federal or state law or regulation.
- (c) pursuant to section 12-781.

5. Limiting or prohibiting the discharge of firearms in parks and preserves except:

- (a) As allowed pursuant to chapter 4 of this title.
- (b) On a properly supervised range as defined in section 13-3107.
- (c) In an area approved as a hunting area by the Arizona game and fish department. Any such area may be closed when deemed unsafe by the director of the Arizona game and fish department.
- (d) To control nuisance wildlife by permit from the Arizona game and fish department or the United States fish and wildlife service.
- (e) By special permit of the chief law enforcement officer of the political subdivision.
- (f) As required by an animal control officer in performing duties specified in section 9-499.04 and title 11, chapter 7, article 6.
- (g) In self-defense or defense of another person against an animal attack if a reasonable person would believe that deadly physical force against the animal is immediately necessary and reasonable under the circumstances to protect oneself or the other person.

H. Any ordinance, regulation, tax or rule that is enacted by a political subdivision in violation of this section is invalid and subject to a permanent injunction against the political subdivision from enforcing the ordinance, regulation, tax or rule. It is not a defense that the political subdivision was acting in good faith or on the advice of counsel.

I. If a court determines that a political subdivision has knowingly and wilfully violated this section, the court may assess a civil penalty of up to fifty thousand dollars against the political subdivision.

J. If a court determines that a person has knowingly and wilfully violated this section while acting in the person's official capacity through enactment of any ordinance, regulation, tax, measure, directive, rule, enactment, order or policy, the person may be subject to termination from employment to the extent allowable under state law.

K. A person or an organization whose membership is adversely affected by any ordinance, regulation, tax, measure, directive, rule, enactment, order or policy that is in violation of this section may file a civil action for declaratory and injunctive relief and actual damages against the political subdivision in any court of this state having jurisdiction over any defendant in the action. If the plaintiff prevails in the action, the court shall award both:

1. Reasonable attorney fees and costs.
2. The actual damages incurred not to exceed one hundred thousand dollars.

L. A violation of any ordinance established pursuant to subsection G, paragraph 5 of this section is a class 2 misdemeanor unless the political subdivision designates a lesser classification by ordinance.

M. For the purposes of this section, "political subdivision" includes a political subdivision acting in any capacity, including under police power, in a proprietary capacity or otherwise.
