Arkansas Honors All Other States Permit/Licenses.
Arkansas Honors Non-Resident Permits/Licenses From the States They Honor.

Notice: The Arkansas Attorney General has released an Official Opinion on Open and Permitless Carry on a journey. With confusion surrounding the law changes of 2013 this opinion gives some guidance to those who carry. An AG Opinion is just that an Opinion and not law but does carry weight with local Prosecutors and Police. The AG Opinion even states: “that legal gun owners are free to openly carry or ride with their weapons but should be ready to field inquiries from law enforcement personnel wondering why they’re carrying.” Handgunlaw.us highly recommends you read the opinion and use caution if you decide to Open Carry as the opinion is not Law. There is a case moving through the courts in Arkansas that will finally decide this issue. The opinion states that Open Carry without a permit/license is legal. The Opinion states Permitless carry either open or concealed while in a vehicle while on a “Journey” is legal in Arkansas. Concealed carry without a permit while on a journey in Arkansas is legal. Again read the opinion it is not that long and gives examples of what is legal and what is illegal and how the law should be applied. Again use caution.

Reciprocity/How This State Honors Other States Permit/Licenses

A person in possession of a valid license to carry a concealed handgun issued to the person by another state is entitled to the privileges and subject to the restrictions prescribed by this subchapter.

Open Carry (Without a Valid Permit/License)

Note: The Arkansas Attorney General has released an Official Opinion on Open and Permitless Carry on a journey. With confusion surrounding the law changes of 2013 this opinion gives some guidance to those who carry. An AG Opinion is just that an Opinion and not law but does carry weight with local Prosecutors and Police. The AG Opinion even states: “that legal gun owners are free to openly carry or ride with their weapons but should be ready to field inquiries from law enforcement personnel wondering why they're carrying.” Handgunlaw.us highly recommends you read the opinion and use caution if you decide to Open Carry as the opinion is not Law. There is a case moving through the courts in Arkansas that will finally decide this issue. The opinion states that Open Carry without a permit/license is legal. The Opinion states Permitless carry either open or concealed while in a vehicle while on a “Journey” is legal in Arkansas. Concealed carry without a permit while on a journey in Arkansas is legal. Again read the opinion it is not that long and gives examples of what is legal and what is illegal and how the law should be applied. Again use caution.

In some states Open Carry is forbidden in places where those with a valid permit/license can carry. This is not the last word on Open Carry in this state. Check at www.opencarry.org or go to Google and type in State Name Open Carry or Open Carry State Name for a search for open carry info in this state. Check with the State’s RKBA Organization/s. Also see “Attorney General Opinions/Court Cases” Section for any written opinions/Cases on Open Carry.
