The University Idaho has published in their Administrative Procedures Manuel how they are going to implement the new law on carry on campus. You can read their procedures/policy [Here](#).

5-343. Immunity of Colleges and Universities Allowing Firearms.

No action shall lie or be maintained for civil damages in any court of this state against the board of regents of the university of Idaho, the boards of trustees of the state colleges and universities, a dormitory housing commission, the board of professional-technical education or the boards of trustees of each of the community colleges established under chapter 21, title 33, Idaho Code, where the claim arises out of the policy of the board or commission to either specifically allow or not prohibit the lawful possession and storage of firearms on its property. [5-343, added 2014, ch. 73, sec. 5, p. 191; am. 2016, ch. 25, sec. 1, p. 35.]

Note: This section of the law only applies to Law Enforcement, Retired Law Enforcement and those with an Idaho Enhanced Permit as stated in [18-3302H](#) or [18-3302K](#) and listed as such in 18-3309 above. Idaho honors all other states permit/licenses and Handgunlaw.us believes those would not cover you under the above law. This law also only applies to "State supported Schools." Non-residents can apply for a Non-Resident Idaho Enhanced Permit. I put Chpt 3 5-343 in the above to show that Colleges/Universities can't be held liable for policies that allow or do not restrict carry on their campus.

26.01.20-175. Personal Safety, Firearms. (State Parks)

(14) Personal Safety, Firearms. No person may purposefully or negligently endanger the life of any person or creature within any land administered by the department. No person may discharge firearms or other projectile firing devices within any lands administered by the department, except as follows: in the lawful defense of person, persons, or property; in the course of lawful hunting; for exhibition; or at designated ranges as authorized by the director. (3-18-22)

For Federal Restrictions on Firearms see the [USA Page](#).

Do "No Gun Signs" Have the Force of Law?

"NO"

"Handgunlaw.us highly recommends that you not enter a place that is posted "No Firearms" no matter what the state laws read/mean on signage. We recommend you print out the [No Guns = No Money Cards](#) and give one to the owner of the establishment that has the signage." As responsible gun owners and upholders of the 2nd Amendment we should also honor the rights of property owners to control their own property even if we disagree with them."

"No Firearm" signs in Idaho have no force of law unless they are posted on property that is specifically mentioned in State Law as being off limits to those with a Permit/License to Carry. If you are in a place not specifically mentioned in the law that is posted and they ask you to leave, you must leave. If you refuse to

leave then you are breaking the law and can be charged. Even if the property is not posted and you are asked to leave you must leave. Always be aware of the possibility that responding Police Officers who may have been called without your knowledge and may not know the laws on trespass etc. could arrest you even if you are within the law.

Parking Lot Storage Law

5-341 Immunity of Employers Allowing Employee Firearm Storage.

No action shall lie or be maintained for civil damages in any court of this state against an employer where the claim arises out of the policy of an employer to either specifically allow or not prohibit the lawful storage of firearms by employees in their personal motor vehicles on the employer's business premises.

[5-341, added 2009, ch. 265, sec. 1, p. 802.]

Note: Employers can still post their parking lots and you can't have a firearm in your vehicle if posted. Idaho passed this law so businesses would have no reason to post their lots as they have no liability.

315, sec. 1, p. 893

Note: Idaho statutes are quiet on a resident carrying his permit/license when carrying. It does state that you can carry concealed without a permit/license and that carrying on another states permit/license the person must have the permit/license in their possession. Under their Permitless Carry law you don't have to have a permit to carry in Idaho. Handgunlaw.us recommends you carry your permit/license at all times you have a firearm on your person.

Open Carry (Without a Valid Permit/License)

Open Carry is legal In Idaho. Places as listed in the "Places Off Limits" above apply to those who open carry. See "Permitless Carry" and "RV/Car Carry Without a Permit" sections for more information.

The state preempts all firearm laws in the state and local authorities can't have Laws/Ordinances against open carry. Remember that if you enter any property and the owner/responsible person ask you to leave you must leave. Failure to leave can result in Trespass Charges. I hear that Open Carry is common in Idaho. The Minimum age for Open Carry is 18. See Permitless Carry Section.

In some states Open Carry is forbidden in places where those with a valid permit/license can carry. This is not the last word on Open Carry in this state. Check at www.opencarry.org or go to Google and type in State Name Open Carry or Open Carry State Name for a search for open carry info in this state. Check with the [State's RKBA](#) Organization/s. Minimum Age for Possessing and Transporting of Handguns.

Idaho 18 Y/O [18-3302A](#)

This is the minimum age for possessing and transporting a handgun unloaded and secured in a vehicle without any type of permit/license to carry firearms.

From Idaho [Law/Regs on Firearms](#): It is unlawful for any person under the age of eighteen (18) years to possess or have in possession any weapon, as defined in section [18-3302A](#), Idaho Code, unless he or she:

1. Has the written permission of his or her parent or guardian to possess the weapon; or
2. Is accompanied by his or her parent or guardian while he or she has the weapon in his possession.

Note: In some states Possession and Transportation CAN be very restrictive in that you can ONLY possess and transport a handgun to and from a Shooting Range, Gun Shop, property you own or other places you can legally possess a handgun. Some states do not have this restriction.

This is not the last word on possession and transporting of handguns in this, or any other state. Study your state law further for more information. See “RV/Car Carry” Section Above for more information.

The image below is the newest format for the Idaho CWL. The regular CWL does not have the word Enhanced in the header. The above two images are of the older designs which there may be more of from the local level. They will all disappear in about 4 years when all will be expired.

These images have been digitally assembled from 2 or more images. They may not be 100% accurate but gives a good representation of the actual Permit/Licenses.
