How to Apply for A Permit

How to Apply

- Application Process:
 1. The average processing time is 45 days for new and renewal concealed handgun permit applications. (**Note:** Due to the large volume of applications that the section has received this year, processing time has been increased to 120 business days.)
 2. In an effort to allow the most efficient processing of your application, we suggest that you review the following tips for both new and renewal applications:
 - a. Review your application for completeness. An incomplete application may result in the delay or denial of your application.
 - b. Make sure all questions are answered correctly, specifically the questions with regard to arrests, medical conditions, and 18 USC 922 g. (See selected statutes in the [Law and Rule Booklet](#).)

- i. Read the arrest question carefully, as you must list all arrests, summons, and citations (except speeding citations) even if listed on a previous application. You must provide a certified true copy of all arrest dispositions with your application.
 - ii. If you listed a medical condition you must have the treating physician complete the medical summary form before submitting your application.
 - iii. If you are currently subject to a protective or restraining order you must provide a certified true copy with your application.
3. For renewals, complete your application and send it in as soon as possible to avoid any lapse in permit privileges.

R.S. 40:1379.3 (New Law that becomes effective August 15, 2011)

T. (6) Notwithstanding Paragraph (4) of this Subsection, a person who has newly obtained residency in Louisiana, who is twenty-one years of age or older, and who possesses a valid out-of-state permit from a jurisdiction recognized pursuant to the provisions of this Subsection may lawfully carry a handgun under such permit, provided that the person also carries a date-stamped copy of an application for a permit issued pursuant to the provisions of this Section or a dated receipt for the same. Places Off-Limits Even With A Permit/License

- A law enforcement office, station, or building;
- A detention facility, prison, or jail;
- A courthouse or courtroom, provided that a judge may carry such a weapon in his own courtroom;
- A polling place;
- A meeting place of the governing authority of a political subdivision;
- The state capitol building;
- Any portion of an airport facility where the carrying of firearms is prohibited under federal law, except that no person shall be prohibited from carrying any legal firearm into the terminal, if the firearm is encased for shipment, for the purpose of checking such firearm as lawful baggage;
- Any church, synagogue, mosque or similar place of worship;
- A parade or demonstration for which a permit is issued by a governmental entity; **Note:** The DPS says just Parade. The law states carry is not allowed if you are “In” a Parade for which a permit has been issued by a government entity.
- Any portion of the permitted area of an establishment that has been granted a Class A-General retail permit, as defined in Part II of Chapter 1 or Part II of Chapter 2 of Title 26 of the Louisiana Revised Statutes of 1950, to sell alcoholic beverages for consumption on the premises.
- Any school "firearm free zone" as defined in R.S. 14:95.6. Additionally, property owners, lessees, or other lawful custodians have the right to prohibit or restrict access of permittees possessing a concealed handgun. Furthermore, a permittee may not carry a concealed handgun into the private residence of another without first receiving the consent of that person. Additionally, the blood alcohol reading of the permittee must not exceed .05% or greater by weight of alcohol in the blood.

Note: 14:95.2 simply states that section cannot regulate what the state deems a constitutionally protected activity. Most are of the opinion that this does not conflict with 18 USC 922(q), and that the federal government acknowledges how a state views certain rights toward property holders. As such, having a firearm entirely within a motor vehicle while on school property does not violate the law. Also See Parking Lot Storage Law Section concerning firearms in vehicles in these restricted locations.

Church, Synagogue and Mosque Carry (New Law that goes into effect Aug. 15, 2010 allows Church carry under the following rules.

- Churches, Synagogues and Mosques choosing to allow concealed carry will have to inform their congregations of the decision.
- Anyone wishing to carry a concealed weapon in a church will have to take an extra eight hours of tactical training each year.
- The new law does not apply to churches on school property.

RS 14:95.2 Carrying a Firearm, or Dangerous Weapon, by a Student or Nonstudent on School Property, at School-Sponsored Functions or Firearm-Free Zone

Carrying a firearm, or dangerous weapon, by a student or nonstudent on school property, at school-sponsored functions or firearm-free zone

A. Carrying a firearm, or dangerous weapon as defined in R.S. 14:2, by a student or nonstudent on school property, at a school sponsored function, or in a firearm-free zone is unlawful and shall be defined as possession of any firearm or dangerous weapon, on one's person, at any time while on a school campus, on school transportation, or at any school sponsored function in a specific designated area including but not limited to athletic competitions, dances, parties, or any extracurricular activities, or within one thousand feet of any school campus.

B. For purposes of this Section, the following words have the following meanings:

- (1) "School" means any elementary, secondary, high school, vocational-technical school, college, or university in this state.
- (2) "Campus" means all facilities and property within the boundary of the school property.
- (3) "School bus" means any motor bus being used to transport children to and from school or in connection with school activities.

C. The provisions of this Section shall not apply to:

- (4) The possession of a firearm occurring within one thousand feet of school property and entirely on private property, or entirely within a private residence, or in accordance with a concealed handgun permit issued pursuant to R.S. 40:1379.1 or R.S. 40:1379.3.

Note: C. Sec (4) means a permit/license holder can carry up to the school property line without breaking the law.

Note: From the Louisiana Department of Public Safety and Corrections Office of State Police, Concealed Handgun Permit Unit web booklet on [Louisiana Concealed Handgun Permit Laws And Administrative Rules](#). Page 35 it states that on a college campus firearms can not be carried but **LRS 14:95.2 C**. The provisions of this Section shall not apply to:

(8) A student who possesses a firearm in his dormitory room or while going to or from his vehicle or any other person with permission of the administration.

So a student can keep a firearm in their dorm room with permission from the college administration and can legally transport it back and forth to their vehicle from their dorm room. I would not carry it concealed but in some type of case. I would also check the College student regulations as they may forbid it and expel you if you bring a legal firearm onto campus.

Body Armor: 14 §95.9. Wearing Or Possessing Body Armor, By A Student Or Nonstudent On School Property, At School-Sponsored Functions, Or In Firearm-Free Zones

Wearing or possessing body armor, by a student or nonstudent on school property, at a school-sponsored function, or in a firearm-free zone is unlawful and shall be defined as wearing or possessing of body armor, on one's person, at any time while on a school campus, on school transportation, or at any school-sponsored function in a specific designated area including but not limited to athletic competitions, dances, parties, or any extracurricular activities, or within one thousand feet of any school campus.

 - (3) A person who has notified the school principal or chancellor in writing at least twenty-four hours prior to wearing body armor.
 - (4) The wearing or possessing of body armor occurring within one thousand feet of school property and entirely on private property, or entirely within a private residence, or in accordance with a concealed handgun permit issued pursuant to R.S. 40:1379.1.

No individual to whom a concealed handgun permit is issued may carry such concealed handgun into the private residence of another without first receiving the consent of that person.

The below question and answer is from the Louisiana Concealed Handgun Permit Unit FAQ page.
<http://www.lsp.org/pdf/chFAQ.pdf>

CAN I CARRY MY HANDGUN IN MY VEHICLE?

Louisiana law does not expressly prohibit the carrying of handguns in vehicles. This is a complicated issue. We suggest that you refer to Louisiana Revised Statutes (L.R.S.) [Title 14 Sections 95](#); 95.1; 95.2; 95.6; 95.7; 95.8. Information on these statutes can be obtained at <http://www.legis.state.la.us/> or in the "Laws and Rules" section of our web page.

Note: The law talks about on school property and that carry in a motor vehicle is a constitutionally protected activity. If it is on a restricted place then it must be state wide. LA does have state wide preemption so cities, towns etc can't make laws against carry in a vehicle.

State Preemption

RS 40:1796 PART II-A. MISCELLANEOUS PROVISIONS

§1796. Preemption of State Law

A. No governing authority of a political subdivision shall enact after July 15, 1985, any ordinance or regulation more restrictive than state law concerning in any way the sale, purchase, possession, ownership, transfer, transportation, license, or registration of firearms, ammunition, or components of firearms or ammunition; however, this Section shall not apply to the levy and collection of sales and use taxes, license fees and taxes and permit fees, nor shall it affect the authority of political subdivisions to prohibit the possession of a weapon or firearm in certain commercial establishments and public buildings.

B. Nothing in this Section shall prohibit a local governing authority in a high-risk area from developing a plan with federally licensed firearms manufacturers, dealers, or importers to secure the inventory of firearms and ammunition of those licensees in order to prevent looting of the licensee's premises during a declared state of emergency or disaster. Such plan shall be renewed on a periodic basis. The information contained in the plan shall be deemed security procedures as defined in R.S. 44:3.1 and shall be released only to the sheriffs of the parishes or police chiefs of municipalities in which the declared state of emergency or disaster exists.

C. For The Purposes of This Section:

(1) "Declared emergency or disaster" means an emergency or disaster declared by the governor or parish president pursuant to the provisions of the Louisiana Homeland Security and Emergency Assistance and Disaster Act.

(2) "High-risk area" means the parishes of Assumption, Calcasieu, Cameron, Iberia, Jefferson, Lafourche, Orleans, Plaquemines, St. Bernard, St. Charles, St. James, St. John, St. Martin, St. Mary, St. Tammany, Tangipahoa, Terrebonne, and Vermilion.

Carry in Restaurants That Serve Alcohol

NO LA has conflicting laws on carry in places that serve alcohol. There are different sections that cover places that serve alcohol. One law says it's OK if they have a class R (Restaurant License) and another law says no carry in places for consumption on the premises. There has been much debate inside the DPS and the AG's Office over this. They are trying to get the law changed so there is no conflict. The person over the Firearms Unit has told me it is illegal under the law to carry in a place that serves for consumption on the premises. In the CCW section of LA law it says no carry in places that serve alcohol for consumption on the premises. Until they do iron it out Handgunlaw.us advises not to carry in places that serve alcohol for consumption on the premises in LA.

Note: Note: A “YES” above means you can carry into places like described below. “NO” means you can't. Handgunlaw.us definition of “Restaurant Carry” is carry in a restaurant that serves alcohol. Places like Friday's. Chili's or Red Lobster. This may or may not mean the bar or the bar area of a restaurant. But you can carry your firearm into a restaurant that serves alcohol and sit and eat

without consuming. Handgunlaw.us recommends you not sit at the Bar or in the Bar area of such restaurants. In some states it is illegal to be in the Bar area of such restaurants. Handgunlaw.us believes you should never consume alcohol when carrying your firearm. In some states it is illegal to take even one drink while carrying a firearm. If you want further info on carrying in places that serve alcohol check your state laws.
