Notice: Maine’s State Police are now posting a list of states they have “Signed Agreements” with. This list on their site is not a listing of states that only honor Maine but just states they have signed agreements with. Maine will only honor resident permits from the states that honor them as in the quoted statute below. The map above shows what states honor Maine so Maine will honor those states. (See Permitless Carry Section on why you may need a valid Permit.)

Note: Though Maine is a Permitless Carry state and any resident or non-resident who can legally possess a firearm can carry it concealed in Maine without any type of permit/license. Open Carry (Without a Valid Permit/License)

Open Carry is legal. Places as listed in the “Places Off Limits” above apply to those who open carry. No Open Carry in State Parks. See the “RV/Car Carry Without a Permit” section for carrying in a vehicle. I hear that open carry is not common in cities. Open Carry is not allowed in Allagash Wilderness Waterway.

The state preempts all firearm laws in the state and local authorities can’t have Laws/Ordinances against open carry. Remember that if you enter any property and the owner/responsible person ask you to leave you must leave. Failure to leave can result in Trespass Charges. The Minimum age for Open Carry is 18.

In some states Open Carry is forbidden in places where those with a valid permit/license can carry. This is not the last word on Open Carry in this state. Check at www.opencarry.org or go to Google and type in State Name Open Carry or Open Carry State Name for a search for open carry info in this state. Check with the State's RKBA Organization/s. Also see “Attorney General Opinions/Court Cases” Section for any written opinions/Cases on Open Carry.

State Preemption

1. Preemption. The State intends to occupy and preempt the entire field of legislation concerning the regulation of firearms, components, ammunition and supplies. Except as provided in subsection 3, any existing or future order, ordinance, rule or regulation in this field of any political subdivision of the State is void. [1989, c. 359 (new).]

2. Regulation restricted. Except as provided in subsection 3, no political subdivision of the State, including, but not limited to, municipalities, counties, townships and village corporations, may adopt any order, ordinance, rule or regulation concerning the sale, purchase, purchase delay, transfer, ownership, use, possession, bearing, transportation, licensing, permitting, registration, taxation or any other matter pertaining to firearms, components, ammunition or supplies. [1989, c. 359 (new).]

3. Exception. This section does not prohibit an order, ordinance, rule or regulation of any political subdivision which, with the exception of appropriate civil penalty provisions, conforms exactly with any applicable provision of state law or which regulates the discharge of firearms within a jurisdiction. [1989, c. 359 (new).]

4. Law enforcement agency. Nothing in this section limits the power of any law enforcement agency to regulate the type and use of firearms issued or authorized by that agency for use by its employees. For the purposes of this section "law enforcement agency" has the same meaning as set forth in section 3701. [1989, c. 502, Pt. D, §19 (new).]

**Note:** A “YES” above means you can carry into places like described below. “NO” means you can’t. Handgunlaw.us definition of “Restaurant Carry” is carry in a restaurant that serves alcohol. Places like Friday’s or Red Lobster unless posted with “No Gun Signs.” This may or may not mean the bar or the bar area of a restaurant. But you can carry your firearm into a restaurant that serves alcohol and sit and eat without consuming. Handgunlaw.us recommends you not sit at the Bar or in the Bar area of such restaurants. In some states it is illegal to be in the Bar area of such restaurants. Handgunlaw.us believes you should never consume alcohol when carrying your firearm. In some states it is illegal to take even one drink while carrying a firearm. If you want further info on carrying in places that serve alcohol check your state laws.

What Does ME Consider A Loaded Firearm?

Note: Before Maine went Permitless Carry they had a law against carrying a loaded firearm in a vehicle. With the new law they deleted (12 M.R.S. 915 §11212) it and that law described what Maine Considered a loaded firearm. The old wording which Handgunlaw.us believes would still be what anyone would considered loaded was: “a firearm with a cartridge or shell in the chamber or in an attached magazine, clip or cylinder or a muzzle-loading firearm charged with powder, lead and a primed ignition device or mechanism”

**Minimum Age for Possessing and Transporting of Handguns.**

**Maine** 18 Y/O  17A M.R.S. 23 §554-B

This is the minimum age for possessing and transporting a handgun unloaded and secured in a vehicle without any type of permit/license to carry firearms.

**Note:** In some states Possession and Transportation CAN be very restrictive in that you can ONLY possess and transport a handgun to and from a Shooting Range, Gun Shop, property you own or other places you can legally possess a handgun. Some states do not have this restriction.

This is not the last word on possession and transporting of handguns in this, or any other state. Study your state law further for more information. See “RV/Car Carry” Section Above for more information.
I was told by a Maine Resident that the state issued permit for both Residents and Non-Residents is the same format. Your photo is on the back. I was also told that local Issuing Authorities do use different formats. Maine has also changed the Permit and call it a Permit to Carry Concealed Handgun replacing Firearms with the word Handgun on their permit.
