Note: Anyone who can legally possess a firearm can carry it concealed in New Hampshire under their Permitless Carry Law. Their Reciprocity laws and how they honored other states permits didn’t change when they went permitless carry.

Note: New Hampshire residents can carry a concealed defensive firearm in the state of Oklahoma without any type of permit/license. You must carry your state issued ID when carrying your firearm in Oklahoma. See the Oklahoma page at www.handgunlaw.us for more information on Oklahoma’s law allowing those from permitless carry states to carry there.

Reciprocity/How This State Honors Other States Permit/Licenses

**Title XII 159:6-d** Full Faith and Credit for Licenses From Other States; Reciprocity. –

The director of the division of state police shall negotiate and enter into reciprocal agreements with other jurisdictions to recognize in those jurisdictions the validity of the license issued under RSA 159:6. The director shall apply to every jurisdiction with which New Hampshire does not have a reciprocity agreement, at least once every 5 years to obtain recognition in those jurisdictions of the license issued under RSA 159:6. Any such agreement executed shall not expire unless an expiration date is required under the statutes of the reciprocal jurisdiction.

### Permitless Carry

**Title XII 159:6** License to Carry.

**III.** The availability of a license to carry a loaded pistol or revolver under this section or under any other provision of law shall not be construed to impose a prohibition on the unlicensed transport or carry of a firearm in a vehicle, or on or about one’s person, whether openly or concealed, loaded or unloaded, by a resident, nonresident, or alien if that individual is not otherwise prohibited by statute from possessing a firearm in the state of New Hampshire.  *Source.* … eff. Aug. 17, 2012. 2015, 124:1, eff. June 8, 2015. 2017, 1:1, eff. Feb. 22, 2017.

### How to Apply for a Permit

**Note:** Even though New Hampshire is a Permitless Carry state they will still issue permits to residents and non-residents to carry and that process has not changed.

Local Police/Sheriff issue resident permits. Contact them for forms or print one from online. Take it to your Police/Sheriff along with your State Photo Drivers License/ID. The process is simple and straight forward. Cost is $10 and the License/Permit is valid for 5 years.

### Non-Resident Permits

The New Hampshire State Police issue Non-Resident permits. Contact them at:

Department of Safety  
Division of State Police  
Permits and Licensing Unit  
33 Hazen Drive  
Concord, NH 03305

They will send you the proper paperwork or you can download and print off an application and fill it out and mail it in. Cost is $100 and the Permit-License is valid for 5 years.

**Note:** The New Hampshire Supreme Court ruled June 2, 2016 that a Non-Resident did not have to have a permit from their home state before they could apply.

**Title XII § 159:19  Courtroom Security.**

I. No person shall knowingly carry a loaded or unloaded pistol, revolver, or firearm or any other deadly weapon as defined in RSA 625:11, V, whether open or concealed or whether licensed or unlicensed, upon the person or within any of the person's possessions owned or within the person's control in a courtroom or area used by a court. Whoever violates the provisions of this paragraph shall be guilty of a class B felony.

II. Firearms may be secured at the entrance to a courthouse by courthouse security personnel.

III. For purposes of paragraph I, "area used by a court" means:

(a) In a building dedicated exclusively to court use, the entire building exclusive of the area between the entrance and the courthouse security.

(b) In any other building which includes a court facility, courtrooms, jury assembly rooms, deliberation rooms, conference and interview rooms, the judge’s chambers, other court staff facilities, holding facilities, and corridors, stairways, waiting areas, and elevators directly connecting these rooms and facilities.

IV. The provisions of this section shall not apply to marshals, sheriffs, deputy sheriffs, police or other duly appointed or elected law enforcement officers, bailiffs and court security officers, or persons with prior authorization of the court for the purpose of introducing weapons into evidence and as otherwise provided for in RSA 159:5.

V. It shall be an affirmative defense to any prosecution under paragraph I that there was no notice of the provisions of paragraph I posted in a conspicuous place at each public entrance to the court building.

For Federal Restrictions on Firearms see the [USA Page](https://www.handgunlaw.us).

**Do “No Gun Signs” Have the Force of Law?**

“NO”

“No Firearm” signs in New Hampshire have no force of law unless they are posted on property that is specifically mentioned in State Law as being off limits to those with a Permit/License to Carry. If you are in a place not specifically mentioned in the law that is posted and they ask you to leave, you must leave. If you refuse to leave then you are breaking the law and can be charged. Even if the property is not posted and you are asked to leave you must leave. Always be aware of the possibility that responding Police Officers who may have been called without your knowledge and may not know the laws on trespass etc. could arrest you even if you are within the law.

“Handgunlaw.us highly recommends that you not enter a place that is posted "No Firearms" no matter what the state laws read/mean on signage. We recommend you print out the [No Guns = No Money Cards](https://www.handgunlaw.us) and give one to the owner of the establishment that has the signage.” As responsible gun owners and upholders of the 2nd Amendment we should also honor the rights of property owners to control their own property even if we disagree with them.”

**Must Inform Officer Immediately on Contact By Law?**

**Title XII 159:6  License to Carry.**

**RV/Car Carry Without a Permit/License**

**Title XII 159:6 License to Carry.**

III. The availability of a license to carry a loaded pistol or revolver under this section or under any other provision of law shall not be construed to impose a prohibition on the unlicensed transport or carry of a firearm in a vehicle, or on or about one’s person, whether openly or concealed, loaded or unloaded, by a resident, nonresident, or alien if that individual is not otherwise prohibited by statute from possessing a firearm in the state of New Hampshire.

**Open Carry (Without a Valid Permit/License)**

Open Carry is legal. New Hampshire also has Permitless Carry. Anyone who can legally possess a firearm can carry open or concealed without any type of permit/license.

**Title XII 159:6 License to Carry.**

III. The availability of a license to carry a loaded pistol or revolver under this section or under any other provision of law shall not be construed to impose a prohibition on the unlicensed transport or carry of a firearm in a vehicle, or on or about one’s person, whether openly or concealed, loaded or unloaded, by a resident, nonresident, or alien if that individual is not otherwise prohibited by statute from possessing a firearm in the state of New Hampshire.

The state preempts all firearm laws in the state and local authorities can’t have Laws/Ordinances against open carry. Remember that if you enter any property and the owner/responsible person ask you to leave you must leave. Failure to leave can result in Trespass Charges. The Minimum age for Open Carry is 18. From what I hear Open Carry is not rare in New Hampshire.

In some states Open Carry is forbidden in places where those with a valid permit/license can carry. This is not the last word on Open Carry in this state. Check at [www.opencarry.org](http://www.opencarry.org) or go to Google and type in State Name Open Carry or Open Carry State Name for a search for open carry info in this state. Check with the State's RKBA Organization/s. Also see “Attorney General Opinions/Court Cases” Section for any written opinions/Cases on Open Carry.

Places like Friday’s or Red Lobster unless posted with “No Gun Signs.” This may or may not mean the bar www.handgunlaw.us
