RV/Car Carry  (Without a Valid Permit/License)

New Mexico Statute 30-7-2.2 (C) (1) states you must be at least 19 years of age to possess a handgun.

From the Department of Public Safety FAQ.

Question: Do I have to be licensed to have a concealed loaded handgun inside my vehicle?

Answer: No. New Mexico law allows a person who is not otherwise prohibited to have a concealed loaded firearm in his/her vehicle (including motorcycles and bicycles). See 30-7-2 NMSA 1978. If you are not licensed to carry concealed in this State or in a state that NM recognizes, you may not have the weapon concealed on your person when you exit your vehicle or motorcycle.

30-7-1. "Carrying a Deadly Weapon".

"Carrying a deadly weapon" means being armed with a deadly weapon by having it on the person, or in close proximity thereto, so that the weapon is readily accessible for use.

30-7-2. Unlawful Carrying of A Deadly Weapon.

A. Unlawful carrying of a deadly weapon consists of carrying a concealed loaded firearm or any other type of deadly weapon anywhere, except in the following cases:

(1) in the person's residence or on real property belonging to him as owner, lessee, tenant or licensee;

(2) in a private automobile or other private means of conveyance, for lawful protection of the person's or another's person or property;

B. Nothing in this section shall be construed to prevent the carrying of any unloaded firearm.

A concealed handgun license shall not be valid on tribal land, unless authorized by the governing body of an Indian nation, tribe or pueblo.

Open Carry  (Without a Valid Permit/License)

Open Carry is legal and common in New Mexico. Places as listed in the “Places Off Limits” above apply to those who open carry. See the “RV/Car Carry Without a Permit” section for carrying in a vehicle.

30-7-3 of the New Mexico Code states only a person with a valid Concealed Firearms License can carry into any establishment that dispenses alcohol. So Open Carry would be prohibited into any place that sells any alcohol for consumption off the premises without a valid license. This would be any store that sells alcohol like Wal-Mart etc.

The state preempts all firearm laws in the state and local authorities can’t have Laws/Ordinances against open carry. Remember that if you enter any property and the owner/responsible person ask you to leave you must leave. Failure to leave can result in Trespass Charges. The Minimum age for Open Carry is 19.

In some states Open Carry is forbidden in places where those with a valid permit/license can carry. This is not the last word on Open Carry in this state. Check at www.opencarry.org or go to Google and type in State Name Open Carry or Open Carry State Name for a search for open carry info in this state. Check with the State's RKBA Organization/s. Also see “Attorney General Opinions/Court Cases” Section for any written opinions/Cases on Open Carry.

Notes

What Does NM Consider A Loaded Firearm?

New Mexico law does not define Loaded. Their firearm laws use the word Loaded or Unloaded but doesn’t give a definition.

Note: With no definition on what the state considers a loaded firearm at the minimum I would have no cartridge in the firing chamber, cylinder, internal or attached magazine or attached to the firearm in any way.

Note: Federal Law can apply if the state is receiving monetary and/or other assistance from the Federal Government. See US Code 42-5207 for Federal Law as it applies to States of Emergencies. The state quoted code may also not be all of the law on Emergency Powers held by the state. Minimum Age for Possessing and Transporting of Handguns.

New Mexico 19 Y/O 30-7-2.2.

This is the minimum age for possessing and transporting a handgun unloaded and secured in a vehicle without any type of permit/license to carry firearms.

Note: In some states Possession and Transportation CAN be very restrictive in that you can ONLY possess and transport a handgun to and from a Shooting Range, Gun Shop, property you own or other places you can legally possess a handgun. Some states do not have this restriction.

This is not the last word on possession and transporting of handguns in this, or any other state. Study your state law further for more information. See “RV/Car Carry” Section Above for more information.
