Permits/Licenses This State Honors

Oregon does not honor any other state Permit/Licenses.

How to Apply for A Permit

Sheriffs issue the Oregon Permits/Licenses to Carry. Marion County's application procedure is just like or very similar to most Oregon Sheriff's procedure.

To Obtain A Concealed Handgun License From The Marion County Sheriff's Office, You Must:

- Be able to demonstrate competence with a handgun by showing a **certificate** or **written statement** that you have been trained by:
 - A handgun safety course utilizing either police instructors or those certified by the NRA, including courses provided for security guards, reserve police officers, law enforcement officers, military service and organized shooting competition; or
 - A hunter education safety course approved by the State Department of Fish and Wildlife; or
 - You hold a previous Oregon license to carry a concealed handgun.
- Be a citizen of the United States of America. If you were not born a citizen of the United States, you must provide proof of citizenship, i.e., a U.S. Passport, Certification of Naturalization, or, if you were born on a military base, a Birth Certificate. If you are a legal resident alien, you must document continuous residency in Marion County for at least six months and declare in writing to the Immigration and Naturalization Service your intention to become a citizen and provide such proof of the written declaration to the Sheriff at the time of application for a concealed handgun license;
- Have your principal residence in Marion County;
- Have your current address on your driver's license;
- Be at least 21 years of age;

- Have been discharged from the jurisdiction of a juvenile court for more than four years if you were under their jurisdiction for committing an act which, if committed by an adult, would have constituted a felony or a misdemeanor.

You Must Bring Your Fees to the Appointment:

\$50.00 (check, cash or money order) to the Marion County Sheriff's Office AND
 \$15.00 (check or money order ONLY) to the Oregon State Police
 Total Cost: \$65

For New Applicants.

1. Legibly completed and signed fingerprint card.
2. Completed application (both pages).
3. Two pieces of identification with your signature (one must have a picture and signature, i.e., a driver's license).
4. Proof of HANDGUN training.
5. Correct fees (if cash, bring exact amount as we do not always have change. State Police will NOT accept cash.)
6. Stamped, self-addressed envelope in which to mail your License. Your License will be mailed after we receive notice from the Oregon State Police that they have processed your fingerprint card.

For Renewals.

1. Your Oregon Driver's License, showing your current Marion County address.
2. Your current/expired Concealed Handgun License.
3. \$50 in the form of cash, check or money order to renew your license for four years, or \$15 for an address or name change.
4. We will update your information and perform a background check. If you qualify for renewal, we usually will print and issue you a new Concealed Handgun License at the end of the appointment.

Note: Check with your Sheriff. They may require Appointments.

Non-Resident Permits

Oregon will issue permits to people who are residents of states that border Oregon. Those states are Washington, California, Idaho and Nevada. A non resident from the states listed can go to any sheriff in Oregon and apply. I recommend contacting the Sherriff's Office before visiting to see if they will issue to Non Residents. Some will not. Grant Co. at this time is very pro gun.. Check out the Application to see what is need and the interactive map from the Oregon Firearms Federation is very useful to find sheriffs and their procedures on applying for a permit to carry.

People are telling me that Non Residents must supply two references when they apply. Again do check with the Sheriff before applying.

- (9) For purposes of subsection (1)(c) of this section, a person is a resident of a county if the person:
- (c) Has documentation showing that the person currently leases or owns real property in the county

So if you own or lease property in Oregon you can apply for a permit to carry in that state if you meet all the requirements as set forth in the law. Oregon is a Shall Issue State.

RV/Car Carry Without A Permit/License

From the Oregon Firearms Federation:

OREGON has no STATE law against carrying a loaded handgun in your car as long as it's :

- (a) Not concealed or
- (b) "Not readily accessible."

"Not readily accessible" (for now) means:

- (4)(a) Except as provided in paragraph (b) of this subsection, a handgun is readily accessible within the meaning of this section if the handgun is within the passenger compartment of the vehicle.
- (b) If a vehicle has no storage location that is outside the passenger compartment of the vehicle, a handgun is not readily accessible within the meaning of this section if:
 - (A) The handgun is stored in a closed and locked glove compartment, center console or other container; and
 - (B) The key is not inserted into the lock, if the glove compartment, center console or other container unlocks with a key.

However, localities are allowed to regulate loaded firearms in "public places" which now includes your car. This only applies to people without CHL's.

So you need to check local regulations. In Portland, for example, you may not have a loaded gun anywhere in your car and you may not even have loaded magazines separate from the handgun. It must still, however, be either visible or "not readily accessible."
