Note: Alaska, Arizona, Kansas, Maine, Mississippi, Missouri, New Hampshire, Vermont and West Virginia have “Permitless Carry.” Anyone who can legally possess a firearm may carry it concealed in those states without a Permit/License. Check each states page for more information and any restrictions that may apply.

Idaho, North Dakota and Wyoming have “Permitless Carry” for their Residents only.

Permits/Licenses This State Honors Listed Below

The State of South Dakota recognizes any valid concealed pistol permit issued to a nonresident of South Dakota according to the terms of its issuance in the state of its issue. § 23-7-7.4

South Dakota Honors Non-Resident Permits/Licenses From the States They Honor.

Reciprocity/How This State Honors Other States Permit/Licenses

§ 23-7-7.4. Nonresident Permit to Carry Concealed Pistol--Validity In South Dakota--Application.

Any valid permit to carry a concealed pistol, issued to a nonresident of South Dakota, is valid in South Dakota according to the terms of its issuance in the state of its issue, but only to the extent that the terms of issuance comply with any appropriate South Dakota statute or promulgated rule. However, if the holder of such a nonresident permit to carry a concealed pistol becomes, at any time, a legal resident of South Dakota, the provisions of this section no longer apply.

How to Apply for a Permit

Permit to Carry a Concealed Pistol

Note: More information can be found Here.

www.handgunlaw.us
A new or renewed Permit to Carry a Concealed Pistol may be obtained from the sheriff of the county which the applicant is a resident (§ 23-7-7).

**Duration of permit and fees**

Only two types of permits are available in South Dakota at this time - a regular permit and an enhanced permit. The Gold Permit will not be available until after 1/1/17. Both the regular and enhanced permits are valid for five years. The enhanced permit is only valid when it is carried with a government issued form of identification that includes a picture of the permit holder (§ 23-7-8.2, § 23-7-55).

The fee for the regular permit is $10.00 (§ 23-7-8.2). The fee for the enhanced permit is $100 (§ 23-7-53).

The holder of the enhanced permit may renew the permit through the sheriff of the county where the holder resides for a period beginning ninety days before the permit expires and ending thirty days after expiration of the permit, if the holder pays the fifty dollar renewal fee and passes a National Instant Criminal Background Check. If the holder of the enhanced permit to carry a concealed pistol does not renew the permit within thirty days of expiration of the permit, the holder must reapply for an enhanced permit to carry a concealed pistol pursuant to SDCL 23-7-53 (§ 23-7-56).

**For a list of Enhanced Concealed Pistol Use of Force Instructors Go Here**

**Applicant requirements**

For both regular and enhanced permits the applicant must meet the following requirements (§ 23-7-7.1):

- Is eighteen years-of age for Regular and Restricted Enhanced; **21 for Enhanced.**
- Has never pled guilty to, nolo contendere to, or been convicted of a felony or a crime of violence; *Note: "Crime of violence" is defined in § 22-1-2 (9)*
- Is not habitually in an intoxicated or drugged condition;
- Has no history of violence;
- Has not been found in the previous ten years to be a "danger to others" or a "danger to self" as defined in § 27A-1-1 or is not currently adjudged mentally incompetent;
- Has physically resided in and is a resident of the county where the application is being made for at least thirty days immediately preceding the date of the application;
- Has had no violations of chapter § 23-7, firearms control, § 22-14, unlawful use of weapons, or § 22-42, controlled substances; marijuana, constituting a felony or misdemeanor in the five years preceding the date of application or is not currently charged under
- Is a citizen of the United States or legal resident alien; and
- Is not a fugitive from justice.

**Note: March 2018:** South Dakota passed HB 1083 which changed the requirements to obtain an Enhanced Permit to 21 Years of Age. Those 18 can still get a Regular permit and the state will now issue a “Restricted Enhanced” to those 18-20. Those 18-20 with an Existing Enhanced Permit will be reissued at no cost a Restricted Enhanced. Inside South Dakota there will be no difference in how the Restricted Enhanced and Enhanced are recognized. Handgunlaw.us believes this was done to allow more states to honor the South Dakota Enhanced Permit. To accomplish this they had to have a permit by a different name for those under 21. Check with the South Dakota Sec. of States Website for more information.

**In addition to the above requirements, the enhanced permit also requires:**

- A copy of the applicant's fingerprints for submission to the Federal Bureau of Investigation, and any governmental agency or entity authorized to receive such information, for a state, national, and
international criminal history background check;

- An authorization to run a fingerprint background check;
- A separate payment for the cost of processing the fingerprint background check;
- Proof that the applicant has successfully completed a qualifying handgun course as defined in § 23-7-58 within the preceding twelve months or proof that the applicant is a current or former South Dakota law enforcement officer.

The sheriff shall forward the copy of the applicant's fingerprints, the applicant's authorization for processing a fingerprint background check, and the payment for the fingerprint background check to the Division of Criminal Investigation for processing (§ 23-7-53).

**Temporary Application**

The applicant for a regular or enhanced permit must complete a form called an Application for a Temporary Permit to Carry a Concealed Pistol. The information required for the permit includes: the applicant's complete name, address, occupation, place and date of birth, physical description, a statement that the applicant has never pled guilty to, nolo contendere to, or been convicted of a felony or crime of violence, a sworn statement that the information on the application is true and correct, and the applicant's signature (§ 23-7-8).

Providing false information or false evidence of identity in applying for a permit to carry a concealed pistol is a Class 6 felony punishable by two years imprisonment in the state penitentiary or a fine of two thousand dollars, or both.

The sheriff will issue a regular temporary permit within five days from the date of application (§ 23-7-7). Because of the fingerprint background investigation for an enhanced permit, the issuance of the enhanced temporary permit may take longer.

Within seven days after the regular or enhanced temporary permit has been issued, the sheriff shall send a copy of the application to the secretary of state who issues the official permit within 30 days of the issuance of the temporary permit (§ 23-7-8).

**Non-Resident Permits**

South Dakota does not issue Non-Resident Permit/Licenses except as described below.

§ 23-7-7.5. Active duty military personnel and spouses. Any person who is active duty military, or the spouse of a person who is active duty military, with a home of record in South Dakota is considered to have met the provisions of subdivision 23-7-7.1(6).

**Note:** Active Military and their spouse living out of state with their home of record South Dakota can apply for a South Dakota Permit to Carry.

**Do “No Gun Signs” Have the Force of Law?**

**“NO”**

“Handgunlaw.us highly recommends that you not enter a place that is posted "No Firearms" no matter what the state laws read/mean on signage. We recommend you print out the [No Guns = No Money Cards](#) and give one to the owner of the establishment that has the signage.” As responsible gun owners and upholders of the 2nd Amendment we should also honor the rights of property owners to control their own property even if we disagree with them.”

“No Firearm” signs in South Dakota have no force of law unless they are posted on property that is specifically mentioned in State Law as being off limits to those with a Permit/License to Carry. If you are in a place not specifically mentioned in the law that is posted and they ask you to leave, you must leave. If you refuse to leave then you are breaking the law and can be charged. Even if the property is not posted and you are asked to leave you must leave. Always be aware of the possibility that responding Police Officers who may have been called without your knowledge and may not know the laws on trespass etc. could arrest you even if you are within the law.

Note: The Attorney General gave an Unofficial Opinion on Car Carry on September 17, 2004. The Attorney General Stated that South Dakota Law allowed anyone to carry a loaded Firearm inside a vehicle without a permit as long as the firearm was visible. You can read the Attorney Generals Opinion Here.

Open Carry (Without a Valid Permit/License)

Open Carry is legal. Places as listed in the “Places Off Limits” above apply to those who open carry. South Dakota law states only a permit holder can carry a concealed firearm in a vehicle and the SD AG gave an opinion on openly carrying in a vehicle without a permit/license. You can see that opinion Here. See the “RV/Car Carry Without a Permit” section for carrying in a vehicle.

The state preempts all firearm laws in the state and local authorities can’t have Laws/Ordinances against open carry. Remember that if you enter any property and the owner/responsible person ask you to leave you must leave. Failure to leave can result in Trespass Charges. The Minimum age for Open Carry is 18.

In some states Open Carry is forbidden in places where those with a valid permit/license can carry. This is not the last word on Open Carry in this state. Carry in Restaurants That Serve Alcohol

**YES § 23-7-8.1**

**Note:** A “YES” above means you can carry into places like described below. “NO” means you can’t. Handgunlaw.us definition of “Restaurant Carry” is carry in a restaurant that serves alcohol. Places like Friday’s or Red Lobster unless posted with “No Gun Signs.” This may or may not mean the bar or the bar area of a restaurant. But you can carry your firearm into a restaurant that serves alcohol and sit and eat without consuming. Handgunlaw.us recommends you not sit at the Bar or in the Bar area of such restaurants. In some states it is illegal to be in the Bar area of such restaurants. Handgunlaw.us believes you should never consume alcohol when carrying your firearm. In some states it is illegal to take even one drink while carrying a firearm. If you want further info on carrying in places that serve alcohol check your state laws.

**AG's Explanation of the Law on Carrying Firearms in Vehicles.**

The Law Enforcement Officers Safety Act of 2004 amended the Federal criminal code to authorize qualified law enforcement officers (including certain qualified retired officers) carrying the photographic identification issued by their governmental agency, notwithstanding State or local laws, to carry a concealed firearm. The federal law provides that such authorization shall not supersede State laws that:

1. permit private entities to prohibit the possession of concealed firearms on their property; or
2. prohibit the possession of firearms on State or local government property. The law also excludes from the definition of "firearm" any machine gun, firearm silencer, or destructive device.
