From the state's Firearms FAQ:

It is unlawful for a person with a firearm permit to carry a concealed firearm in the following locations:

- Any secure area in which firearms are prohibited and notice of the prohibition is posted
- A secure area of an airport
• Any courthouse, courtroom, mental health facility or correctional facility that may provide by rule that no firearm may be transported, sold, given, or possessed upon the facility. At least one notice shall be prominently displayed at each entrance to a secure area in which a dangerous weapon, firearm, or explosive is restricted.

• **What about private business, can they post signs prohibiting someone from carrying a gun into their business even though the person may have a firearm permit?** Naturally, private property owners may apply what ever restrictions they want, whether or not these restrictions violates ones personal rights is for the civil courts to decide. But the only statutory restriction on a permit holder is secured areas such as airports and federal buildings.

• **May I carry my loaded and concealed firearm into a bar or other drinking establishment?** There is nothing in state statute that prohibits permit holders from being in a bar with a concealed firearm. However, it is illegal to be intoxicated and in possession of a firearm. The level of intoxication that is considered illegal is held to the same standard as when driving a car.

This law covers Houses of Worship and Private Residences and is very specific. Businesses posted would
not fall under this part of the law and the sign would not have the force of law in those places like a House of
Worship or Private Residence. In the case of businesses “Handgunlaw.us highly recommends that you not
enter a place that is posted "No Firearms" no matter what the state laws read/mean on signage. We
recommend you print out the No Guns = No Money Cards and give one to the owner of the establishment
that has the signage.” As responsible gun owners and upholders of the 2nd Amendment we should also honor
the rights of property owners to control their own property even if we disagree with them.”

“No Firearm” signs in Utah have no force of law unless they are posted on property that is specifically
mentioned in State Law as being off limits to those with a Permit/License to Carry. If you are in a place not
specifically mentioned in the law that is posted and they ask you to leave, you must leave. If you refuse to
leave then you are breaking the law and can be charged. Even if the property is not posted and you are asked
to leave you must leave. Always be aware of the possibility that responding Police Officers who may have
been called without your knowledge and may not know the laws on
trespass etc. could arrest you even if you
are within the law.

Must Inform Officer Immediately on Contact By Law?

“NO”

From Utah DPS FAQs

If I get stopped by a police officer, do I, as a permit holder, have to tell the officer that I have a gun in my possession?

Although there is no legal requirement to identify yourself to a law enforcement officer, it is recommended to do so.

If an officer finds or sees a gun on your person during their contact with you, and you have not identified yourself as a permit holder in legal possession of a firearm, the officer may assume you are carrying the gun illegally and may take defensive action. For the safety of all involved, it is recommended to immediately identify yourself to the officer as a permit holder in possession of a handgun. This action gives the officer some assurance they are most likely dealing with a law abiding citizen.

Note: Utah Law does not state you have to have your Permit/License in your possession while carrying. Handgunlaw.us recommends that you always carry your Permit/License while carrying.

76-10-505.  Carrying Loaded Firearm in Vehicle or on Street.

(1) Unless otherwise authorized by law, a person may not carry a loaded firearm:
   (a) in or on a vehicle, unless:
      (i) the vehicle is in the person's lawful possession; or
      (ii) the person is carrying the loaded firearm in a vehicle with the consent of the person lawfully in possession of the vehicle;
   (b) on a public street; or
   (c) in a posted prohibited area.

(2) Subsection (1)(a) does not apply to a minor under 18 years of age, since a minor under 18 years of age may not carry a loaded firearm in or on a vehicle.

(3) Notwithstanding Subsection (1)(a)(i) and (ii), a person may not possess a loaded rifle, shotgun, or muzzle-loading rifle in a vehicle.

(4) A violation of this section is a class B misdemeanor. Amended by Chapter 362, 2009 General Session

76-10-511. Possession of Loaded Firearm At Residence or on Real Property Authorized.

Except for persons described in Section 76-10-503 and 18 U.S.C. Sec. 922(g) and as otherwise prescribed in this part, a person may have a loaded firearm:

(1) at the person's place of residence, including any temporary residence or camp; or
(2) on the person's real property. Amended by Chapter 362, 2009 General Session

Note: This new law now allows any person of legal age to possess a handgun, whether loaded or unloaded, or an unloaded long gun, in or on a vehicle if the:
   • vehicle is in the lawful possession of the person carrying the gun; or
   • vehicle’s lawful possessor consents to the gun possession.

Note: See Open Carry Section  below on exiting the vehicle.

Open Carry  (Without a Valid Permit-License)

Loaded Open Carry is legal for those with a valid permit/license to carry a concealed firearm. Vehicle carry is legal for anyone who is 18 or older and can legally possess a firearm in a vehicle if the vehicle is in the person’s lawful possession; or the person is carrying the loaded firearm in a vehicle with the consent of the person lawfully in possession of the vehicle. See the “RV/Car Carry Without a Permit” section for carrying

www.handgunlaw.us
in a vehicle. Those without any valid permit/license must carry an unloaded firearm outside the vehicle. The law is below. For an autoloader you can have a full mag but no round in the chamber. The two actions required to fire it are racking the slide and then pressing the trigger. For a double action revolver the hammer must down on a loaded chamber and the next chamber to rotate up to the firing position must be empty. That talks two presses of the trigger to make it fire making two actions to fire it. Single actions pistols can be carried with hammer down on an empty chamber. Cocking the hammer and pressing the trigger are the two required actions. Places as listed in the “Places Off Limits” above apply to those who open carry. Also be aware that Schools and other places are off limits unless you have a valid permit/license to carry a firearm. Read the laws well as those without a permit/license to carry have more places off limits than those with a permit/license. When open carrying, be prepared for Police Officers to question you as open carrying firearm gets their attention.

The state preempts all firearm laws in the state and local authorities can’t have Laws/Ordinances against open carry. Remember that if you enter any property and the owner/responsible person ask you to leave you must leave. Failure to leave can result in Trespass Charges.

This is not the last word on Open Carry in this state. Check at www.opencarry.org or go to Google and type in State Name Open Carry or Open Carry State Name for a search for open carry info in this state. Check with the State's RKBA Organization. Also see “Attorney General Opinions/Court Cases” Section for any written opinions/Cases on Open Carry.

   (b) on a public street; or

(1) For the purpose of this chapter, any pistol, revolver, shotgun, rifle, or other weapon described in this part shall be deemed to be loaded when there is an unexpended cartridge, shell, or projectile in the firing position.

(2) Pistols and revolvers shall also be deemed to be loaded when an unexpended cartridge, shell, or projectile is in a position whereby the manual operation of any mechanism once would cause the unexpended cartridge, shell, or projectile to be fired.

(3) A muzzle loading firearm shall be deemed to be loaded when it is capped or primed and has a powder charge and ball or shot in the barrel or cylinders.

76-9-102. Disorderly conduct.

State Preemption

76-10-500. Uniform law.
(1) The individual right to keep and bear arms being a constitutionally protected right, the Legislature finds the need to provide uniform laws throughout the state. Except as specifically provided by state law, a citizen of the United States or a lawfully admitted alien shall not be:

(a) prohibited from owning, possessing, purchasing, selling, transferring, transporting, or keeping any firearm at his place of residence, property, business, or in any vehicle lawfully in his possession or lawfully under his control; or

(b) required to have a permit or license to purchase, own, possess, transport, or keep a firearm.

Carry in Restaurants That Serve Alcohol

YES

Note: A “YES” above means you can carry into places like described below. “NO” means you can’t. Handgunlaw.us definition of “Restaurant Carry” is carry in a restaurant that serves alcohol. Places like Friday’s or Red Lobster unless posted with “No Gun Signs.” This may or may not mean the bar or the bar area of a restaurant. But you can carry your firearm into a restaurant that serves alcohol and sit and eat without consuming. Handgunlaw.us recommends you not sit at the Bar or in the Bar area of such restaurants. In some states it is illegal to be in the Bar area of such restaurants. Handgunlaw.us believes you should never consume alcohol when carrying your firearm. In some states it is illegal to take even one drink while carrying a firearm. If you want further info on carrying in places that serve alcohol check your state laws.

Minimum Age for Possessing and Transporting of Handguns.

Utah 18 Y/O 76-10-509.9.

This is the minimum age for possessing and transporting a handgun unloaded and secured in a vehicle without any type of permit/license to carry firearms.

Note: In some states Possession and Transportation CAN be very restrictive in that you can ONLY possess and transport a handgun to and from a Shooting Range, Gun Shop, property you own or other places you can legally possess a handgun. Some states do not have this restriction.

This is not the last word on possession and transporting of handguns in this, or any other state. Study your state law further for more information. See “RV/Car Carry” Section Above for more information.
Utah issues the same permit to both residents and non residents.

The top image is the Utah Permit that has been issued for years. Below is the new format that will be coming out shortly. Handgunlaw.us is not sure the back of the new format will be the same as the old style.
