real property used by the applicant in a business. Previously it had to be renewed with the Sheriff who issued the permit/license.

**Emergency Permits**

A person can obtain an Emergency Permit if they can demonstrate to the Sheriff that they are in immediate danger without a training certificate per 18-12-209. It is valid for 90 days and can be extended. It can be issued to those 18 or older per the statute. See 18-12-209 for more information but talking to your local Sheriff would be the best course of action if you believe you are in immediate danger.

**Moving to Colorado**

Per Colorado Statute 18-12-213 if you move into Colorado with a valid permit from your previous state of residence and Colorado has reciprocity with your previous state of residence your previous home state permit is valid for 90 days as determined by the date of issuance on a valid picture identification issued by Colorado and carried by the permit holder. When you have been a resident of Colorado for 90 days your previous state of residency permit is no longer valid. That gives you time to obtain a Colorado Permit.

**Note:** New law passed amends 18-12-202 stating that training must be face to face with an Instructor. Online type training does not meet Colorado Law. [Link to All Local Sheriffs.]

**Non-Resident Permits**

**18-12-203. Criteria For Obtaining A Permit.**

(a) Is a legal resident of the state of Colorado. For purposes of this part 2, a person who is a member of the armed forces and is stationed pursuant to permanent duty station orders at a military installation in this state, and a member of the person's immediate family living in Colorado, shall be deemed to be a legal resident of the state of Colorado.  

(b) (1)(e)(II) amended, (HB 19-1172), ch. 136, p. 1676, Section 98, effective October 1.

**Note:** If you are in the military and are stationed in Colorado you and your immediate family are considered residents of CO and can obtain a CO permit/license to carry.

**Note:** On the Application that all the Sheriff's in Colorado will accept there is an ** on the block that wants this info: **Colorado County of Residence. At the bottom of the fill in part the ** has this out from it: **If not a Colorado resident, please explain in a separate attachment why you need a permit and identify any property or business you own in Colorado.

Colorado law states only “Residents” but with this on the application it may be possible if you own a business or property and can give a good reason for a CO permit they may issue you one. Check with the Sheriff of the County you own property or have a business. The most they can say is No.

**Places Off-Limits Even With a Permit/License**

**Note:** See “Do Gun Signs Have the Force of Law” Section below for Aurora Colorado bans on carry etc.

**18-12-214. Authority Granted By Permit - Carrying Restrictions.**

(b) A peace officer may temporarily disarm a permittee, incident to a lawful stop of the permittee. The peace officer shall return the handgun to the permittee prior to discharging the permittee from the scene.

(2) A permit issued pursuant to this part 2 does not authorize a person to carry a concealed handgun into a place where the carrying of firearms is prohibited by federal law.

(3) A permit issued pursuant to this part 2 does not authorize a person to carry a concealed handgun onto the real property, or into any improvements erected thereon, of a public elementary, middle, junior high, or high school; except that:

(a) A permittee may have a handgun on the real property of the public school so long as the handgun remains in his or her vehicle and, if the permittee is not in the vehicle, the handgun is in a compartment within the vehicle and the vehicle is locked.

(b) Security personnel electronically screen each person who enters the building to determine whether the person is carrying a weapon of any kind; and

33-14-117. Hunting, Carrying Weapons on Snowmobiles - Prohibitions

(1) It is unlawful for any person to:

(a) Hunt any wildlife from a snowmobile;

(b) Operate or ride on any snowmobile with any firearm in his or her possession, unless such firearm is unloaded and enclosed in a carrying case or inserted in a scabbard, or with any bow unless it is unstrung or cased, but this paragraph (b) does not apply to any person to whom the division has issued a permit for the control of predators such as coyotes, foxes, bobcats, and the like;

Courts have upheld the right of Denver to ban so called Saturday Night Specials and Assault Weapons. Click “Here” to see information on these banned firearms in Denver.

www.handgunlaw.us
Note: There have been reports that those with a valid permit can’t carry on Public Transportation (Buses) in Colorado. Carry is allowed on public transportation if you have a valid permit. Your valid permit is “Legal Authority.”

18-9-118. Firearms, Explosives, or Incendiary Devices In Facilities of Public Transportation

A person commits a class 6 felony if, without legal authority, he has any loaded firearm or explosive or incendiary device, as defined in section 9-7-103, C.R.S., in his possession in, or carries, brings, or causes to be carried or brought any of such items into, any facility of public transportation, as defined in section 18-9-115 (4).

Note: Denver International Airport (DIA) has signs posted at the entrance of the Terminal stating:

It is a FELONY OFFENSE for any person without legal authority to bring a loaded firearm or explosive or incendiary device into the airport or aboard a commercial aircraft. Violators may be sentenced to five years imprisonment a fine of $10,000 or both.

Those with a valid permit/license can carry into the airport but not into the sterile areas of the airport. Your valid permit/license is your legal authority. The only reference to firearms in the DIA Rules/Regulations states a Permit/License holder can’t carry into secure areas of the airport. Secure areas would be past the TSA security checkpoint and anywhere else in the terminal or grounds off limits to passengers.

Do “No Gun Signs” Have the Force of Law?

“NO” ?? (Yes? In Aurora Colorado see their code below)

Click Here to read an article contributed to Handgunlaw.us by Timothy J. Priebe, Esq. on “No Gun Signs” in Colorado.

“No Firearm” signs in Colorado have no force of law unless they are posted on property that is specifically mentioned in State Law as being off limits to those with a Permit/License to Carry. If you are in a place not specifically mentioned in the law that is posted and they ask you to leave, you must leave. If you refuse to leave then you are breaking the law and can be charged. Even if the property is not posted and you are asked to leave you must leave. Always be aware of the possibility that responding Police Officers who may have been called without your knowledge and may not know the laws on trespass etc. could arrest you even if you are within the law.

(b) Nothing in this section shall be construed to forbid any law enforcement officer from carrying or wearing such weapons and firearms as shall be necessary in the proper discharge of his or her duties.

(c) It shall not be an offense of subsection (a) of this section if the person was carrying a concealed handgun and had, at the time of carrying the concealed handgun, a valid permit to carry such concealed handgun issued pursuant to C.R.S. 18-12-105.1 as it existed prior to its repeal or a valid permit to carry a concealed handgun or a temporary emergency permit issued pursuant to pt. 2 of art. 12 of tit. 18 of the Colorado Revised Statutes; except that it shall be an offense under subsection (a) if the person was carrying a concealed handgun in violation of the carrying restrictions contained in C.R.S. 18-12-214.

Note: Handgunlaw.us believes when you come across a business that is posted that you not just walk away. That business needs to know that they lost your business because of their “No Gun” sign. Giving them a “No Firearms = No Money” card would do just that. You can print free “No Firearms = No Money” cards by going Here.

The permittee shall carry the permit, together with valid photo identification, at all times during which the permittee is in actual possession of a concealed handgun and shall produce both documents upon demand by a law enforcement officer. State Preemption

18-12-105.6. Limitation on Local Ordinances Regarding Firearms In Private Vehicles.

(1) The general assembly hereby finds that:

www.handgunlaw.us
(a) A person carrying a weapon in a private automobile or other private means of conveyance for hunting or for lawful protection of such person's or another's person or property, as permitted in sections 18-12-105 (2) (b) and 18-12-105.5 (3) (c), may tend to travel within a county, city and county, or municipal jurisdiction or in or through different county, city and county, and municipal jurisdictions, en route to the person's destination;

(b) Inconsistent laws exist in local jurisdictions with regard to the circumstances under which weapons may be carried in automobiles and other private means of conveyance;

(c) This inconsistency creates a confusing patchwork of laws that unfairly subjects a person who lawfully travels with a weapon in or through one jurisdiction to criminal penalties because he or she travels within a jurisdiction or into or through another jurisdiction;

(d) This inconsistency places citizens in the position of not knowing when they may be violating local laws while traveling within a jurisdiction or in, through, or between different jurisdictions, and therefore being unable to avoid committing a crime.

(2) (a) Based on the findings specified in subsection (1) of this section, the general assembly concludes that the carrying of weapons in private automobiles or other private means of conveyance for hunting or for lawful protection of a person's or another's person or property while traveling into, or through, or within, a municipal, county, or city and county jurisdiction, regardless of the number of times the person stops in a jurisdiction, is a matter of statewide concern and is not an offense.

(b) Notwithstanding any other provision of law, no municipality, county, or city and county shall have the authority to enact or enforce any ordinance or resolution that would restrict a person's ability to travel with a weapon in a private automobile or other private means of conveyance for hunting or for lawful protection of a person's or another's person or property while traveling into, or through, or within, a municipal, county, or city and county jurisdiction, regardless of the number of times the person stops in a jurisdiction. Source: L. 2000: Entire section added, p. 1009, § 2, effective August 2. L. 2003: Entire section amended, p. 651, § 1, effective March 18.

ANNOTATION

Law reviews: For article, "In the Crosshairs: Colorado's New Gun Laws", see 33 Colo. Law. 11 (January 2004).

This section clarifies the scope of § 18-12-105 (2)(b) and indicates the general assembly's intent that local ordinances on carrying weapons in private vehicles be preempted only insofar as they conflict with the provisions of this section. Trinen v. City & County of Denver, 53 P.3d 754 (Colo. App. 2002).

The use of the limiting language "into or through" in subsection (2) reflects the general assembly's intent not to restrict local weapons ordinances insofar as they apply to travel wholly within local jurisdictions. Trinen v. City & County of Denver, 53 P.3d 754 (Colo. App. 2002). (Decided under law as it existed prior to the 2003 amendments to subsection (2)).

29-11.7-101. Legislative Declaration.

(1) The general assembly hereby finds that:

(a) Section 3 of article II of the state constitution, the article referred to as the state bill of rights, declares that all persons have certain inalienable rights, which include the right to defend their lives and liberties;

(b) Section 13 of article II of the state constitution protects the fundamental right of a person to keep and bear arms and implements section 3 of article II of the state constitution;
(c) The general assembly recognizes a duty to protect and defend the fundamental civil rights set forth in paragraphs (a) and (b) of this subsection (1);

(d) There exists a widespread inconsistency among jurisdictions within the state with regard to firearms regulations;

(e) This inconsistency among local government laws regulating lawful firearm possession and ownership has extraterritorial impact on state citizens and the general public by subjecting them to criminal and civil penalties in some jurisdictions for conduct wholly lawful in other jurisdictions;

(f) Inconsistency among local governments of laws regulating the possession and ownership of firearms results in persons being treated differently under the law solely on the basis of where they reside, and a person's residence in a particular county or city or city and county is not a rational classification when it is the basis for denial of equal treatment under the law;

(g) This inconsistency places citizens in the position of not knowing when they may be violating the local laws and therefore being unable to avoid violating the law and becoming subject to criminal and other penalties.

(2) Based on the findings specified in subsection (1) of this section, the general assembly concludes that:

(a) The regulation of firearms is a matter of statewide concern;

(b) It is necessary to provide statewide laws concerning the possession and ownership of a firearm to ensure that law-abiding persons are not unfairly placed in the position of unknowingly committing crimes involving firearms.

29-11.7-102. Firearms Database - Prohibited.

(1) A local government, including a law enforcement agency, shall not maintain a list or other form of record or database of:

(a) Persons who purchase or exchange firearms or who leave firearms for repair or sale on consignment;

(b) Persons who transfer firearms, unless the persons are federally licensed firearms dealers;

(c) The descriptions, including serial numbers, of firearms purchased, transferred, exchanged, or left for repair or sale on consignment.

29-11.7-103. Regulation - Type Of Firearm - Prohibited.

A local government may not enact an ordinance, regulation, or other law that prohibits the sale, purchase, or possession of a firearm that a person may lawfully sell, purchase, or possess under state or federal law. Any such ordinance, regulation, or other law enacted by a local government prior to March 18, 2003, is void and unenforceable.

29-11.7-104. Regulation - Carrying - Posting.

A local government may enact an ordinance, regulation, or other law that prohibits the open carrying of a firearm in a building or specific area within the local government's jurisdiction. If a local government enacts an ordinance, regulation, or other law that prohibits the open carrying of a firearm in a building or specific area, the local government shall post signs at the public entrances to the building or specific area informing persons that the open carrying of firearms is prohibited in the building or specific area.

State Emergency Powers

24-33.5-704. The Governor and Disaster Emergencies - Expert Emergency Epidemic Response Committee – Creation (Edited for Space Considerations)

(1) The governor is responsible for meeting the dangers to the state and people presented by disasters.

(2) Under this part 7, the governor may issue executive orders, proclamations, and regulations and amend or rescind them. Executive orders, proclamations, and regulations have the force and effect of law.

(6) During the continuance of any state of disaster emergency, the governor is commander-in-chief of the organized and unorganized militia and of all other forces available for emergency duty. To the greatest extent practicable, the governor shall delegate or assign command authority by prior arrangement embodied in appropriate executive orders or regulations, but nothing in this section restricts the governor's authority to do so by orders issued at the time of the disaster emergency.

(7) In addition to any other powers conferred upon the governor by law, the governor may:

(a) Suspend the provisions of any regulatory statute prescribing the procedures for conduct of state business or the orders, rules, or regulations of any state agency, if strict compliance with the provisions of any statute, order, rule, or regulation would in any way prevent, hinder, or delay necessary action in coping with the emergency;

(b) Utilize all available resources of the state government and of each political subdivision of the state as reasonably necessary to cope with the disaster emergency;

(d) Subject to any applicable requirements for compensation under section 24-33.5-711, commandeer or utilize any private property if the governor finds this necessary to cope with the disaster emergency;

(f) Prescribe routes, modes of transportation, and destinations in connection with evacuation;

(g) Control ingress to and egress from a disaster area, the movement of persons within the area, and the occupancy of premises therein;

(h) Suspend or limit the sale, dispensing, or transportation of alcoholic beverages, firearms, explosives, or combustibles;

Note: Federal Law can apply if the state is receiving monetary and/or other assistance from the Federal Government. See US Code 42-5207 for Federal Law as it applies to States of Emergencies. The state quoted code may also not be all of the law on Emergency Powers held by the state. You should read the entire code on Emergency Powers etc for this state by following the link to the state code.

Minimum Age for Possessing and Transporting of Handguns.

Colorado 18 Y/O 18-12-108.5 & 18-12-108.7

Note: Do be aware that Boulder has passed an ordinance that bans the possession of any firearm by a person under 21. Outside Boulder at this time 18 is the minimum age for possessing and transporting a handgun unloaded and secured in a vehicle without any type of permit/license to carry firearms.

Note: In some states Possession and Transportation CAN be very restrictive in that you can ONLY possess and transport a handgun to and from a Shooting Range, Gun Shop, property you own or other places you can legally possess a handgun. Some states do not have this restriction. This is not the last word on possession and transporting of handguns in this, or any other state. Study your state law further for more information. See “RV/Car Carry” Section Above for more information.

Note: With Colorado’s Universal Background Checks private handgun sales to those under 21 would be
impossible due to the background check not allowing those under 21 to purchase a handgun. The Law allows the following types of transfers to those under 21. **18-12-112 (6)** the provisions of this section do not apply to: (b) a transfer that is a bona fide gift or loan between Immediate family members, which are limited to spouses, parents, Children, siblings, grandparents, grandchildren, nieces, nephews, First cousins, aunts, and uncles;
