**Firearms Owners Identification Card (FOID Card)**

**Note:** The Illinois State Police are stating that they will no longer accept paper applications after March 9, 2015. However, paper applications will be available for those who do not have computer access. Those younger than 21 without a driver's license or ID card will be required to use the paper application. Check the Illinois [State Police](#) Website for more information on how to apply for a FOID Card.
The FOID card was created in 1968, by the FOID Act, as a way to identify those persons eligible to possess and acquire firearms and firearm ammunition as part of a public safety initiative in the State of Illinois.

Q. Who needs a FOID card?

A. Unless specifically exempted by statute, any Illinois resident who acquires or possesses firearm or firearm ammunition within the State must have in their possession a valid Firearm Owner's Identification (FOID) card issued in his or her name. Note: SB836 made the law state an IL Firearm License to Carry can now be used to possess firearms and purchase ammunition.

Note: New regulations now state that those in possession of an Illinois License to Carry do not have to have their FOID Card in their possession to buy firearms and ammunition or possess firearms and ammunition. Handgunlaw.us still believes you have to have a FOID Card but don’t have to have it in your possession as long as you have your Illinois License to Carry.

Note: Admin Code 1230.30 now states “Card shall expire 10 years from the date of issuance.” It does not state cards issued after a certain date but just states they will expire 10 years from issuance. The Rule did state 5 years before the change.

Note: The State Preempts all “Handgun Laws” in the state and all handgun restrictions passed by local governments are null and void. Local authorities still have the authority to restrict long guns and their bans on long guns are still valid. No new restrictions on long guns can be passed by local authorities 10 days after their Concealed Carry Law takes effect.

Non-Resident Permit

Note: During the first week of Feb 2017 the state of Illinois revised the list of states whose residents they would issue non-resident permits to. They only listed four states and removed three they did list and added three different ones that they say meet their criteria. The non-residents from those three states that no longer met their criteria who had obtained an Illinois Non-Resident permit received a letter stating that their Illinois Non-Resident permit was no longer valid. You can read a copy of one of those letters Here.

NON-RESIDENTS

In accordance with 430 ILCS 66/40 (b), out of state residents may be eligible for an Illinois Concealed Carry License if your state meets the definition of substantially similar as established by rule. See 20 Il. Admin. Code 1231.10. Currently, the states identified below have been determined to have laws related to firearm ownership, possession, and carrying that are substantially similar to the requirements to obtain a license under Illinois’ law; and, therefore, may apply for an Concealed Carry License. This list will be updated as additional states are identified as substantially similar. Further Information concerning the regulations for non-resident applications can be found at 20 Il. Admin. Code 1231.110.

Note: Only residents of the states listed above have been approved by the Illinois State Police to apply for an Illinois Non-Resident Permit. They will update this list if other states have criteria that meet their stands for their residents. Illinois law states you must have a permit/license from your home state if applicable to apply for an Illinois permit. If you don’t have your resident permit/license Handgunlaw.us at this time believes you can not apply for an Illinois Non Resident Permit to Carry and will only accept applications from residents of states listed above. The US Court of Appeals 7th District upheld the Illinois practice of only issuing to non-residents of the states listed above. You can read the ruling Here.

www.handgunlaw.us
Non-Residents

Chicago and Laser Sights!

8-20-060 Possession of a Laser Sight Accessory, Firearm Silencer or Muffler.

(a) It is unlawful for any person to carry, possess, display for sale, sell or otherwise transfer any laser sight accessory, or a firearm silencer or muffler.

(b) The provisions of this section shall not apply to any members of the armed forces of the United States, or the organized militia of this or any other state, or peace officers, to the extent that any such person is otherwise authorized to acquire or possess a laser sight accessory, or firearm silencer or muffler, and is acting within the scope of his duties.

(c) Any laser sight accessory, or firearm silencer or muffler, carried, possessed, displayed or sold in violation of this section is hereby declared to be contraband and shall be seized by and forfeited to the city.

Note: The city of Chicago ordinance above and the Police Dept Notice to Officers stating to confiscate firearms with an attached laser sight is in effect in Chicago. Chicago is in the process of rewriting their firearm laws (9/11/13) to comply with the new state preemption and I am hearing that this is being removed in the new ordinance but looking at the bill I do not see this being removed. Use Caution!

The Below listed cities in Illinois also ban Laser Sights. (There could be others)

Illinois 18 Y/O 430 ILCS 65/4 Must have a FOID Card. If under 21 must have written consent of his or her parent or legal guardian to obtain FOID Card.

This is the minimum age for possessing and transporting a handgun unloaded and secured in a vehicle without any type of permit/license to carry firearms.

Some states (and counties) require Firearms Identification Cards, and/or registration.

www.handgunlaw.us
From the Illinois State Police FAQs

Q. I am under the age of 21, can I apply for a FOID card?
A. Yes. In addition to all other requirements, a person who is under 21 years of age must have the written consent of his or her parent or legal guardian to possess and acquire firearms and firearm ammunition. This includes having your application signed by a notary public. Also, he or she must not have been convicted of a misdemeanor other than a traffic offense or adjudged delinquent. The parent or legal guardian providing written consent must be eligible to possess a valid FOID card.

Note: In some states Possession and Transportation CAN be very restrictive in that you can ONLY possess and transport a handgun to and from a Shooting Range, Gun Shop, property you own or other places you can legally possess a handgun. Some states do not have this restriction.

This is not the last word on possession and transporting of handguns in this, or any other state. Study your state law further for more information. See “RV/Car Carry” Section Above for more information.
