Do “No Gun Signs” Have the Force of Law?

“NO”

“Handgunlaw.us highly recommends that you not enter a place that is posted "No Firearms" no matter what the state laws read/mean on signage. We recommend you print out the No Guns = No Money Cards and give one to the owner of the establishment that has the signage.” As responsible gun owners and upholders of the 2nd Amendment we should also honor the rights of property owners to control their own property even if we disagree with them.”

“No Firearm” signs in Indiana have no force of law unless they are posted on property that is specifically mentioned in State Law as being off limits to those with a Permit/License to Carry. If you are in a place not specifically mentioned in the law that is posted and they ask you to leave, you must leave. If you refuse to leave then you are breaking the law and can be charged. Even if the property is not posted and you are asked to leave you must leave. Always be aware of the possibility that responding Police Officers who may have

www.handgunlaw.us
been called without your knowledge and may not know the laws on trespass etc. could arrest you even if you are within the law.

Retail Establishments With "No Handguns Allowed" Posted at Entry: As a possessor with a real property interest, a retailer, has the right to limit, and qualify the right to enter the property, subject to not carrying a handgun. It would be improper to enter, and the Licensee would be subject to ejection for possession of a handgun thereat. Failure to leave once requested, would subject the Licensee to arrest for criminal trespass.

Open Carry (Without a Valid Permit/License)

Open Carry is legal in Indiana but you must have a valid Permit/License to Carry to Open Carry. Places as listed in the “Places Off Limits” above apply to those who open carry. See the “RV/Car Carry Without a Permit” section for carrying in a vehicle. From all I hear Open Carry is not common in Indiana.

In some states Open Carry is forbidden in places where those with a valid permit/license can carry. This is not the last word on Open Carry in this state. Check at www.opencarry.org or go to Google and type in State Name Open Carry or Open Carry State Name for a search for open carry info in this state. Check with the State’s RKBA Organization/s. Also see “Attorney General Opinions/Court Cases” Section for any written opinions/Cases on Open Carry.

(12) A unit from using the unit’s planning and zoning powers under IC 36-7-4 to prohibit the sale of firearms within two hundred (200) feet of a school by a person having a business that did not sell firearms within two hundred (200) feet of a school before April 1, 1994.

Sec. 5. A person adversely affected by an ordinance, a measure, an enactment, a rule, or a policy adopted or enforced by a political subdivision that violates this chapter may file an action in a court with competent jurisdiction against the political subdivision for:

(1) declarative and injunctive relief; and

Carry in Restaurants That Serve Alcohol

YES

Note: A “YES” above means you can carry into places like described below. “NO” means you can’t. Handgunlaw.us definition of “Restaurant Carry” is carry in a restaurant that serves alcohol. Places like Friday’s or Red Lobster unless posted with “No Gun Signs.” This may or may not mean the bar or the bar area of a restaurant. But you can carry your firearm into a restaurant that serves alcohol and sit and eat without consuming. Handgunlaw.us recommends you not sit at the Bar or in the Bar area of such restaurants. In some states it is illegal to be in the Bar area of such restaurants. Handgunlaw.us believes you should never consume alcohol when carrying your firearm. ### Minimum Age for Possessing and Transporting of Handguns.

**Indiana  18 Y/O  IC 35-47-2-7**

This is the minimum age for possessing and transporting a handgun unloaded and secured in a vehicle
without any type of permit/license to carry firearms.

**Note:** In some states Possession and Transportation CAN be very restrictive in that you can ONLY
possess and transport a handgun to and from a Shooting Range, Gun Shop, property you own or other
places you can legally possess a handgun. Some states do not have this restriction.

This is not the last word on possession and transporting of handguns in this, or any other state. Study your
state law further for more information. See “RV/Car Carry” Section Above for more information.

### Permit License Image

The back of the Indiana License is Blank.

This image has been digitally assembled from 2 or more images. It may not be 100% accurate but gives a good representation of the actual Permit/License.

Beginning Oct. 1, 2014 Indiana will be issuing a hard plastic type license as pictured above. I do not know if there is any
information on the reverse of the new Indiana License.
