Note: (7/1/18) I put this here as Iowa has changed the wording in their laws on carrying on All Terrain/Snowmobiles the last four years.

State Universities. Prohibits use or possession of firearms, ammunition, or other dangerous weapons, substances, or materials (except as expressly authorized by the university), or of bombs, explosives, or explosive or incendiary devices prohibited by law on the campus of the three state universities (U of I, Iowa State, UNI) or at or during any university-authorized function or event by any person, student, member of the faculty or staff.

Note: In the Administrative Rules for the above sections defines a Person as: "Person" means any student, member of the faculty or staff, or visitor. The Law is very gray so I would not be the test case for carrying on Colleges and Universities in Iowa until further information becomes available.

2019 Acts, ch 94, §3

Note: Tasers or stun guns that shot projectiles are still illegal on campus. Only hand held units that you must press against another person are legal. Links to above statutes may not work until Iowa updates its statutes. You can view SF188 which added the above Here.

724.29 Firearm Devices.

A person who sells or offers for sale a manual or power-driven trigger activating device constructed and designed so that when attached to a firearm increases the rate of fire of the firearm is guilty of an aggravated misdemeanor.

For Federal Restrictions on Firearms see the USA Page.

Do “No Gun Signs” Have the Force of Law?

“NO”

“Handgunlaw.us highly recommends that you not enter a place that is posted "No Firearms" no matter what the state laws read/mean on signage. We recommend you print out the No Guns = No Money Cards and give one to the owner of the establishment that has the signage.” As responsible gun owners and upholders of the 2nd Amendment we should also honor the rights of property owners to control their own property even if we disagree with them.”

“No Firearm” signs in Iowa have no force of law unless they are posted on property that is specifically mentioned in State Law as being off limits to those with a Permit/License to Carry. If you are in a place not specifically mentioned in the law that is posted and they ask you to leave, you must leave. If you refuse to leave then you are breaking the law and can be charged. Even if the property is not posted and you are asked to leave you must leave. Always be aware of the possibility that responding Police Officers who may have been called without your knowledge and may not know the laws on trespass etc. could arrest you even if you are within the law.

Must Inform Officer Immediately on Contact By Law?

724.5 Duty to Carry Permit to Carry Weapons.

Failure to so produce a permit is a simple misdemeanor.

**724.4 Carrying Weapons.**

1. Except as otherwise provided in this section, a person who goes armed with a dangerous weapon concealed on or about the person, or who, within the limits of any city, goes armed with a pistol or revolver, or any loaded firearm of any kind, whether concealed or not, or who knowingly carries or transports in a vehicle a pistol or revolver, commits an aggravated misdemeanor.

   f. A person who for any lawful purpose carries or transports an unloaded pistol or revolver in a vehicle inside a closed and fastened container or securely wrapped package which is too large to be concealed on the person or inside a cargo or luggage compartment where the pistol or revolver will not be readily accessible to any person riding in the vehicle or common carrier.

   **Note:** When a motor home is used as a residence (Parked) or place of business (Parked), no permit is required. When it is being used as transportation the firearm must be stored unloaded. (See 724.4 below) Places as listed in the “Places Off Limits” above apply to those who open carry. See the “RV/Car Carry Without a Permit” section for carrying in a vehicle. From all I hear Open carry in not common. Remember that if you enter any property and the owner/responsible person ask you to leave you must leave. Failure to leave can result in Trespass Charges. The Minimum age for Open Carry is 21.

**Open Carry (Without a Valid Permit/License)**

Open Carry is legal but with many restrictions in Iowa. You must have a valid permit to carry a loaded handgun in a vehicle. Open Carry in Incorporated areas is illegal without a valid permit/license. (See 724.4 below) Places as listed in the “Places Off Limits” above apply to those who open carry. See the “RV/Car Carry Without a Permit” section for carrying in a vehicle. From all I hear Open carry in not common. Remember that if you enter any property and the owner/responsible person ask you to leave you must leave. Failure to leave can result in Trespass Charges. The Minimum age for Open Carry is 21.

**724.4 Carrying Weapons.**

1. Except as otherwise provided in this section, a person who goes armed with a dangerous weapon concealed on or about the person, or who, within the limits of any city, goes armed with a pistol or revolver, or any loaded firearm of any kind, whether concealed or not, or who knowingly carries or transports in a vehicle a pistol or revolver, commits an aggravated misdemeanor.

4. **Subsections 1 through 3 do not apply to any of the following:**

   i. A person who has in the person’s possession and who displays to a peace officer on demand a valid permit to carry weapons which has been issued to the person, and whose conduct is within the limits of that permit. A person shall not be convicted of a violation of this section if the person produces at the person’s trial a permit to carry weapons which was valid at the time of the alleged
offense and which would have brought the person’s conduct within this exception if the permit had been produced at the time of the alleged offense.

2018 Acts, ch 1117, §1, 2

In some states Open Carry is forbidden in places where those with a valid permit/license can carry. This is not the last word on Open Carry in this state. Check at www.opencarry.org or go to Google and type in State Name Open Carry or Open Carry State Name for a search for open carry info in this state. Check with this State's RKBA Organization/s. Also see “Attorney General Opinions/Court Cases” Section for any written opinions/Cases on Open Carry.

State Preemption

724.28 Prohibition of Regulation by Political Subdivisions.

1. As used in this section, “political subdivision of the state” means a city, county, or township.

2. A political subdivision of the state shall not enact an ordinance, motion, resolution, policy, or amendment regulating the ownership, possession, legal transfer, lawful transportation, modification, registration, or licensing of firearms, firearms attachments, or other weapons when the ownership, possession, transfer transportation, or modification is otherwise lawful under the laws of this state. An ordinance regulating firearms, firearms attachments, or other weapons in violation of this section existing on or after April 5, 1990, is void.

3. If a political subdivision of the state, prior to, on, or after July 1, 2020, adopts, makes, enacts, or amends any ordinance, measure, enactment, rule, resolution, motion, or policy regulating the ownership, possession, legal transfer, lawful transportation, modification, registration, or licensing of firearms, firearms attachments, or other weapons when the ownership, possession, transfer, transportation, registration, or licensing of firearms, firearms attachments, or other weapons is otherwise lawful under the laws of this state, a person adversely affected by the ordinance, measure, enactment, rule, resolution, motion, or policy may file suit in the appropriate court for declarative and injunctive relief and all damages attributable to the violation. A court shall also award the prevailing party in any such lawsuit reasonable attorney fees and court costs.

4. A political subdivision of the state may restrict the carrying, possession, or transportation of firearms or other dangerous weapons in the buildings or physical structures located on property under the political subdivision’s control if adequate arrangements are made by the political subdivision to screen persons for firearms or other dangerous weapons and the political subdivision provides armed security personnel inside the building or physical structure where the restriction is to be in effect. Carry in Restaurants That Serve Alcohol

YES

Note: A “YES” above means you can carry into places like described below. “NO” means you can’t.
Handgunlaw.us definition of “Restaurant Carry” is carry in a restaurant that serves alcohol. Places like Friday’s or Red Lobster unless posted with “No Gun Signs.” This may or may not mean the bar or the bar area of a restaurant. But you can carry your firearm into a restaurant that serves alcohol and sit and eat without consuming. Handgunlaw.us recommends you not sit at the Bar or in the Bar area of such restaurants. In some states it is illegal to be in the Bar area of such restaurants. Handgunlaw.us believes you should never consume alcohol when carrying your firearm. In some states it is illegal to take even one drink while carrying a firearm. If you want further info on carrying in places that serve alcohol check your state laws.

Notes

What Does IA Consider a Loaded Firearm?

483A.35 “Gun” defined.  
The word “gun” as used in this chapter shall include every kind of a gun or rifle, except a revolver or pistol, and shall include those provided with pistol mountings which are designed to shoot shot cartridges.

483A.36 Manner of Conveyance.  
A person, except as permitted by law, shall not have or carry a gun in or on a vehicle on a public highway, unless the gun is taken down or totally contained in a securely fastened case, and its barrels and attached magazines are unloaded.

Note: Though this definition only applies to Long guns or those that shoot shot shells I can find no other definition of “Loaded” in Iowa Law. Handgunlaw.us believes that this definition of loaded would be used in Iowa Courts as what would be considered a “Loaded Handgun.” See RV/Car Carry Section Above.

**Minimum Age for Possessing and Transporting of Handguns.**

**Iowa 21 Y/O**  
**Title XVI Subtitle I 724.22**

This is the minimum age for possessing and transporting a handgun unloaded and secured in a vehicle without any type of permit/license to carry firearms.

**Note:** In some states Possession and Transportation CAN be very restrictive in that you can ONLY possess and transport a handgun to and from a Shooting Range, Gun Shop, property you own or other places you can legally possess a handgun. Some states do not have this restriction.
This is not the last word on possession and transporting of handguns in this, or any other state. Study your state law further for more information. See “RV/Car Carry” Section Above for more information.

**Permit/License Image**

This is a 1 year restricted permit image. The new unrestricted 5 year permit should have the same format but they could redo part of the permit to eliminate the Additional restrictions line.

These images have been digitally assembled from 2 or more images. They may not be 100% accurate but give a good representation of the actual Permit/License. I have been told that the wording at the bottom of the image “Invalid when using or consuming alcohol or illegal drugs” may not be at the bottom of every permit issued in Iowa. A Polk Co. Permit Holder states his has “NONPROFESSIONAL” in that location. Different counties have different formats.

From what Info I can gather Iowa is now issuing one format for the whole state. Handgunlaw.us is not sure we have the latest format.
