6. The state capitol building.
7. Any portion of an airport facility where the carrying of firearms is prohibited under federal law, except that no person shall be prohibited from carrying any legal firearm into the terminal, if the firearm is encased for shipment, for the purpose of checking such firearm as lawful baggage.
8. Any church, synagogue, mosque, or other similar place of worship, eligible for qualification as a tax-exempt organization under 26 U.S.C. 501, unless authorized by the person who has authority over the administration of the church, synagogue, mosque, or other similar place of worship.

Restaurants are OK but you can’t carry in the bar area of a restaurant.
11. Any school, school campus, or school bus as defined in R.S. 14:95.6.

O. The provisions of Subsection N of this Section shall not limit the right of a property owner, lessee, or other lawful custodian to prohibit or restrict access of those persons possessing a concealed handgun pursuant to a permit issued under this Section. No individual to whom a concealed handgun permit is issued may carry such concealed handgun into the private residence of another without first receiving the consent of that person.

**Note:** State removed the state requirement of 8 hours additional training (8/1/18) and left that up to the building owners or insurance requirements they have

**Note:** 14:95.2 simply states that section cannot regulate what the state deems a constitutionally protected activity. Most are of the opinion that this does not conflict with 18 USC 922(q), and that the federal government acknowledges how a state views certain rights toward property holders. As such, having a firearm entirely within a motor vehicle while on school property does not violate the law. Also See Parking Lot Storage Law Section concerning firearms in vehicles in these restricted locations.

**R.S. 14:95.2**  
**Carrying a Firearm, or Dangerous Weapon, by a Student or Nonstudent on School Property, at School-Sponsored Functions or Firearm-Free Zone**

§1; Acts 2018, No. 629, §1.

Note: C. Sec (9) means a permit/license holder can carry up to the school property line without breaking the law. This was always legal for permit holders. Legislature changed language for clarity.

R.S. 14:95.6 Firearm-Free Zone; Notice; Signs; Crime; Penalties

A. A "firearm-free zone" is an area inclusive of any school campus and within one thousand feet of any such school campus, and within a school bus, wherein the possession of firearms is prohibited, except as specifically set forth in Subsection B of this Section and R.S. 14:95.2(C).

Signs or other markings shall be located in a visible manner on or near each school and on and in each school bus indicating that such area is a firearm-free zone and that such zone extends to one thousand feet from the boundary of school property.

Note: From the Louisiana Department of Public Safety and Corrections Office of State Police, Concealed Handgun Permit Unit web booklet on Louisiana Concealed Handgun Permit Laws And Administrative Rules. Page 35 it states that on a college campus firearms can not be carried but LRS 14:95.2 C. The provisions of this Section shall not apply to:
A student who possesses a firearm in his dormitory room or while going to or from his vehicle or any other person with permission of the administration.

**Note:** So a student can keep a firearm in their dorm room with permission from the college administration and can legally transport it back and forth to their vehicle from their dorm room. I would not carry it concealed but in some type of case. I would also check the College student regulations as they may forbid it and expel you if you bring a legal firearm onto campus.

Do “No Gun Signs” Have the Force of Law?

“NO/YES” ??

Handgunlaw.us first made the determination that No Gun Signs in Louisiana did have the force of law. ON this subject Handgunlaw.us will always err on the side of caution. Recently debate on this subject has cast doubt on that. Most trainers in Louisiana state that they don’t have the force of law. Attorneys have stated they can’t find any Case Law/Statute/Administrative Rule specifically stating that No Gun Signs in Places “Not Specifically Listed in Louisiana Statutes as Off Limits” have the force of law and they have to ask you to leave first. This would be a private businesses that post a sign. Until more information becomes available Handgunlaw.us recommends you treat No Gun Signs in Businesses not listed in statutes as being off limits as having the force of law.

Note: Handgunlaw.us believes when you come across a business that is posted that you not just walk away. That business needs to know that they lost your business because of their “No Gun” sign. Giving them a “No Firearms = No Money” card would do just that. You can print free “No Firearms = No Money” cards by going Here.

**RV/Car Carry Without a Permit/License**

The below question and answer is from the Louisiana Concealed Handgun Permit Unit FAQ page.

**CAN I CARRY MY HANDGUN IN MY VEHICLE?**

A. Under most circumstances, carrying a handgun in a motor vehicle is legal in Louisiana. We suggest that you refer to Louisiana Revised Statutes (L.R.S.) Title 14 Sections 95; 95.1; 95.2; 95.6; 95.7; 95.8. Information on these statutes can be obtained at http://www.legis.state.la.us or in the “Laws and Rules” section of our web page (http://www.lsp.org/handguns.html).

www.handgunlaw.us
**Note:** The Law talks about carry in a motor vehicle is a constitutionally protected activity. If it is on a restricted place then it must be state wide. LA does have state wide preemption so cities, towns etc can’t make laws against carry in a vehicle.

### Open Carry (Without a Valid Permit-License)

Open Carry is legal in Louisiana. Places as listed in the “Places Off Limits” above apply to those who open carry. See the “RV/Car Carry Without a Permit” section for carrying in a vehicle.

The state preempts all firearm laws in the state and local authorities can’t have Laws/Ordinances against open carry. State preemption did allow for laws/ordinances in effect before 7/15/85 to be grandfathered. There can be places that have laws/ordinances against Open Carry. It is your responsibility to know the law.

**R.S. 40:1796. Preemption of State Law**

A. No governing authority of a political subdivision shall enact after July 15, 1985, any ordinance or regulation more restrictive than state law concerning in any way the sale, purchase, possession, ownership, transfer, transportation, license, or registration of firearms, ammunition, or components of firearms or ammunition or components of firearms or ammunition……

§1, eff. July 17, 1985; Acts 2006, No. 254, §1.

Remember that if you enter any property and the owner/responsible person ask you to leave you must leave. Failure to leave can result in Trespass Charges. The Minimum age for Open Carry is lower in Louisiana but 18 is the minimum age by federal law that a person can possess a firearm.

In some states Open Carry is forbidden in places where those with a valid permit/license can carry. This is not the last word on Open Carry in this state. Check at **www.opencarry.org** or go to Google and type in State Name Open Carry or Open Carry State Name for a search for open carry info in this state. Check with the State's RKBA Organization/s. Also see “Attorney General Opinions/Court Cases” Section for any written opinions/Cases on Open Carry.

### State Preemption

**R.S. 40:1796 Preemption of State Law**

A. No governing authority of a political subdivision shall enact after July 15, 1985, any ordinance or regulation more restrictive than state law concerning in any way the sale, purchase, possession, ownership, transfer, transportation, license, or registration of firearms, ammunition, or components of firearms or ammunition; however, this Section shall not apply to the levy and collection of sales and use taxes, license fees and taxes and permit fees, nor shall it affect the authority of political subdivisions to prohibit the possession of a weapon or firearm in certain commercial establishments and public buildings.

B. Nothing in this Section shall prohibit a local governing authority in a high-risk area from developing a plan with federally licensed firearms manufacturers, dealers, or importers to secure the inventory of firearms and ammunition of those licensees in order to prevent looting of the licensee's premises during a declared state of emergency or disaster. Such plan shall be renewed on a periodic basis. The information contained in the plan shall be deemed security procedures as defined in R.S. 44:3.1 and shall be released only to the sheriffs of the parishes or police chiefs of municipalities in which the declared state of emergency or disaster exists.

C. For The Purposes of This Section:

www.handgunlaw.us
(1) "Declared emergency or disaster" means an emergency or disaster declared by the governor or parish president pursuant to the provisions of the Louisiana Homeland Security and Emergency Assistance and Disaster Act.

R.S. 14:95

(F) (3) Any ordinance that prohibits the unlawful carrying of firearms enacted by a municipality, town, or similar political subdivision or governing authority of this state shall be subject to the provisions of R.S. 40:1796.

Carry in Restaurants That Serve Alcohol

“YES”  R.S. 14:95.5(C)

Note: A “YES” above means you can carry into places like described below. “NO” means you can’t. Handgunlaw.us definition of “Restaurant Carry” is carry in a restaurant that serves alcohol. Places like Friday’s or Red Lobster unless posted with “No Gun Signs.” This may or may not mean the bar or the bar area of a restaurant. But you can carry your firearm into a restaurant that serves alcohol and sit and eat without consuming. Handgunlaw.us recommends you not sit at the Bar or in the Bar area of such restaurants. In some states it is illegal to be in the Bar area of such restaurants. Handgunlaw.us believes you should never consume alcohol when carrying your firearm. In some states it is illegal to take even one drink while carrying a firearm. If you want further info on carrying in places that serve alcohol check your state laws.

SB 212 amended R.S. 56:116.1(E) which now states a bow hunter can carry any cal of pistol. It doesn’t state a permit to carry is required.

**Notes**

**What Does LA Consider A Loaded Firearm?**

Louisiana law does not define Loaded. Their firearm laws use the word Loaded or Unloaded but doesn’t give a definition.

**Note:** With no definition on what the state considers a loaded firearm at the minimum I would have no cartridge in the firing chamber, cylinder, internal or attached magazine or attached to the firearm in any way.

This is the minimum age for possessing and transporting a handgun unloaded and secured in a vehicle without any type of permit/license to carry firearms.

**Note:** In some states Possession and Transportation CAN be very restrictive in that you can ONLY possess and transport a handgun to and from a Shooting Range, Gun Shop, property you own or other places you can legally possess a handgun. Some states do not have this restriction.

This is not the last word on possession and transporting of handguns in this, or any other state. Study your state law further for more information. See “RV/Car Carry” Section Above for more information.
