(2) (a) For public safety purposes, a city or town may regulate the discharge of rifles, shotguns, and handguns. A county, city, town, consolidated local government, or other local government unit has power to prevent and suppress the carrying of concealed or unconcealed weapons to a public assembly, publicly owned building, park under its jurisdiction, or school, and the possession of firearms by convicted felons, adjudicated mental incompetents, illegal aliens, and minors.

(b) Nothing contained in this section allows any government to prohibit the legitimate display of firearms at shows or other public occasions by collectors and others or to prohibit the legitimate transportation of firearms through any jurisdiction, whether in airports or otherwise. History: Sec. 3, Ch. 384, L. 2011.

Notice: Missoula has passed an ordinance banning firearms in some of their Buildings, Parks, Schools etc as allowed in (2)(a) above. Other cities may have such ordinances. Handgunlaw.us believes the places their ordinances make off limits would have to be posted. See Gun Sign Section for More Information.
Landlords and tenants -- no firearm prohibition allowed.

A landlord or operator of a hotel or motel may not, by contract or otherwise, prevent a tenant or a guest of a tenant from possessing on the premises a firearm that it is legal for the tenant or guest to possess. A landlord or operator of a hotel or motel may prohibit the discharge of a firearm on the premises except in self-defense.

History: En. Sec. 6, Ch. 332, L. 2009.

For Federal Restrictions on Firearms see the USA Page.

Do “No Gun Signs” Have the Force of Law?

“NO” By State Law. “YES” In certain cities/counties. See Missoula Code below!

“No firearm” signs in Montana have no force of law unless they are posted on property that is specifically mentioned in State Law as being off limits to those with a Permit-License to Carry. If you are in a place not specifically mentioned in the law that is posted and they ask you to leave, you must leave. If you refuse to leave then you are breaking the law and can be charged. Even if the property is not posted and you are asked to leave you must leave. Always be aware of the possibility that responding Police Officers who may have been called without your knowledge and may not know the laws on trespass etc. could arrest you even if you are within the law.

Notice: Missoula, MT has passed ordinances (8.58.010 & 8.58.020) banning firearms in City Government Buildings, Schools, Parks and Public Gatherings and other places. They will have to post the properties covered by their ordinances and you could be cited and fined for carrying openly or concealed past one of those No Gun Signs. Any local government in Montana can have such bans. See the Preemption Section that shows the state government gave them the authority to ban firearms in those places.

(b) the person bearing the permit is also in possession of an official photo identification of the person, whether on the permit or on other identification; and

Note: I can’t find any mention in Montana Law that state residents carry their permit on their person but their law does say those carrying in Montana with a permit they honor must carry their Permit and ID.

Carry In State Parks//WMA/Road Side Rest Areas & St. /Nat. Forests

Carry Allowed in these Areas:

State Parks: YES 12.8.202

www.handgunlaw.us
Montana Attorney Generals Web Site states the following:

- Montana has no prohibitions against carrying a weapon in a motor vehicle.

According to the AG you can carry a firearm inside your vehicle without a permit. The definition of concealed in Montana is "wholly or partially covered by clothing or wearing apparel".

Montana law is quiet on carrying a firearm in a vehicle. There is no mention of it being illegal to carry a loaded or unloaded firearm in a vehicle. What Montana law does say is this:

45-8-315. Definition.
"Concealed weapon" means a firearm that is wholly or partially covered by the clothing or wearing apparel of the person carrying or bearing the weapon. History: Per HB0251 2017

45-8-316. Carrying Concealed Firearms.
(1) A person who carries or bears concealed upon the individual's person a firearm shall be punished by a fine not exceeding $500 or by imprisonment in the county jail for a period not exceeding 6 months, or both.

45-8-317. Exceptions. (1) Section 45-8-316 does not apply to:

   (h) (i) a person who is outside the official boundaries of a city or town or the confines of a logging, lumbering, mining, or railroad camp or who is lawfully engaged in hunting, fishing, trapping, camping, hiking, backpacking, farming, ranching, or other outdoor activity in which weapons are often carried for recreation or protection; or

   (j) the carrying of arms on one's own premises or at one's home or place of business.

So you can carry concealed outside cities, towns, logging, lumbering, mining and railroad camps without any type of permit. In or out of your car. But since Montana law defines concealed as cover or partially covered by clothing you can carry a loaded handgun in the glove box or console in the cities, towns etc in Montana without any type of permit/license. The law has to state what is illegal. If it doesn’t mention it then it is legal.

Open Carry (Without a Valid Permit/License)

Open Carry is legal in Montana. Places as listed in the “Places Off Limits” above “May” apply to those who open carry. See the “RV/Car Carry Without a Permit” section for carrying in a vehicle.

The state preempts all firearm laws in the state and local authorities can’t have laws/ordinances against open carry. A county, city, town, consolidated local government, or other local government unit has power to prevent and suppress the carrying of concealed or unconcealed weapons to a public assembly, publicly owned building, park under its jurisdiction, or school. Montana Statute 45-8-344 states those 14 and over
can possess a firearm. Possession by a person under 18 is against federal law. I would not open carry under 18 years of age.

**45-3-111. Openly carrying weapon -- display -- exemption.**

(1) Any person who is not otherwise prohibited from doing so by federal or state law may openly carry a weapon and may communicate to another person the fact that the person has a weapon.

(2) If a person reasonably believes that the person or another person is threatened with bodily harm, the person may warn or threaten the use of force, including deadly force, against the aggressor, including drawing or presenting a weapon.

(3) This section does not limit the authority of the board of regents or other postsecondary institutions to regulate the carrying of weapons, as defined in 45-8-361(5)(b), on their campuses. **History:** En. Sec. 2, Ch. 332, L. 2009.

This is not the last word on Open Carry in this state. Check at [www.opencarry.org](http://www.opencarry.org) or go to Google and type in State Name Open Carry or Open Carry State Name for a search for open carry info in this state. Check with the State's RKBA Organization/s. Also see “Attorney General Opinions/Court Cases” Section for any written opinions/Cases on Open Carry.

**45-8-351. Restriction on Local Government Regulation of Firearms.**

(1) Except as provided in subsection (2), a county, city, town, consolidated local government, or other local government unit may not prohibit, register, tax, license, or regulate the purchase, sale or other transfer (including delay in purchase, sale, or other transfer), ownership, possession, transportation, use, or unconcealed carrying of any weapon, including a rifle, shotgun, handgun, or concealed handgun.

(2) (a) For public safety purposes, a city or town may regulate the discharge of rifles, shotguns, and handguns. A county, city, town, consolidated local government, or other local government unit has power to prevent and suppress the carrying of concealed or unconcealed weapons to a public assembly, publicly owned building, park under its jurisdiction, or school, and the possession of firearms by convicted felons, adjudicated mental incompetents, illegal aliens, and minors.

(b) Nothing contained in this section allows any government to prohibit the legitimate display of firearms at shows or other public occasions by collectors and others or to prohibit the legitimate transportation of firearms through any jurisdiction, whether in airports or otherwise.

(c) A local ordinance enacted pursuant to this section may not prohibit a legislative security officer who has been issued a concealed weapon permit from carrying a concealed weapon in the state capitol as provided in 45-8-317. **History:** En. Sec. 1, Ch. 589, L. 1985; amd. Sec. 11, Ch. 759, L. 1991; amd. Sec. 3, Ch. 384, L. 2011.

Note: In Montana you can’t carry concealed but you can open carry in a restaurant that serves alcohol. If ask to leave the restaurant you must leave.

Note: A “YES” above means you can carry into places like described below. “NO” means you can’t. Handgunlaw.us definition of “Restaurant Carry” is carry in a restaurant that serves alcohol. Places like Friday’s or Red Lobster unless posted with “No Gun Signs.” This may or may not mean the bar or the bar area of a restaurant. But you can carry your firearm into a restaurant that serves alcohol and sit and eat without consuming. Handgunlaw.us recommends you not sit at the Bar or in the Bar area of such restaurants. In some states it is illegal to be in the Bar area of such restaurants. Handgunlaw.us believes you should never consume alcohol when carrying your firearm. In some states it is illegal to take even one drink while carrying a firearm. If you want further info on carrying in places that serve alcohol check your state laws.

State Emergency Powers

(1) Following a declaration of an emergency or disaster pursuant to this chapter, a peace officer or other person acting or purporting to act on behalf of the state or a political subdivision of the state may not take a confiscation action.
(2) After a violation of subsection (1) has occurred, the party injured by a confiscation action may bring an action for damages in a court having jurisdiction.

This is the minimum age for possessing and transporting a handgun unloaded and secured in a vehicle without any type of permit/license to carry firearms.

**Note:** In some states Possession and Transportation CAN be very restrictive in that you can ONLY possess and transport a handgun to and from a Shooting Range, Gun Shop, property you own or other places you can legally possess a handgun. Some states do not have this restriction.
