Do “No Gun Signs” Have the Force of Law?

“NO”

“Handgunlaw.us  highly recommends that you not enter a place that is posted "No Firearms" no matter what the state laws read/mean on signage. We recommend you print out the No Guns = No Money Cards and give one to the owner of the establishment that has the signage.” As responsible gun owners and upholders of the 2nd Amendment we should also honor the rights of property owners to control their own property even if we disagree with them.”

“No Firearm” signs in Nevada have no force of law unless they are posted on property that is specifically mentioned in State Law as being off limits to those with a Permit/License to Carry. If you are in a place not specifically mentioned in the law that is posted and they ask you to leave, you must leave. If you refuse to leave then you are breaking the law and can be charged. Even if the property is not posted and you are asked to leave you must leave. Always be aware of the possibility that responding Police Officers who may have been called without your knowledge and may not know the laws on trespass etc. could arrest you even if you are within the law.

RV/Car Carry Without a Permit/License

Nevada law is silent on carrying unconcealed firearms in vehicles. They do have a law against carrying loaded long guns in vehicles. But no law against handguns. In a vehicle the firearm must be clearly visible if upon the person. A handgun sitting under the seat, on top of the seat or in a glove box is not considered “on the person” and is permissible.
NRS 503.165  Carrying Loaded Rifle or Shotgun in or on Vehicle on or Along Public Way Unlawful; Exceptions.

1. It is unlawful to carry a loaded rifle or loaded shotgun in or on any vehicle which is standing on or along, or is being driven on or along, any public highway or any other way open to the public.

2. A rifle or shotgun is loaded, for the purposes of this section, when there is an unexpended cartridge or shell in the firing chamber, but not when the only cartridges or shells are in the magazine.

Nevada did amend their law to override local ordinances and that they must go by state law. Nevada law was amended in 2007 and from what I can find out no city in Nevada can now regulate the carrying of firearms in the city. They must go by state law.

NRS 268.418  State control over regulation of firearms, firearm accessories and ammunition; limited regulatory authority of city; conflicting ordinance or regulation void; records of ownership of firearms; civil action by person adversely affected by enforcement of conflicting ordinance or regulation.

1. Except as otherwise provided by specific statute, the Legislature reserves for itself such rights and powers as are necessary to regulate the transfer, sale, purchase, possession, ownership, transportation, registration and licensing of firearms and ammunition in Nevada, and no city may infringe upon those rights and powers. As used in this subsection, “firearm” means any weapon from which a projectile is discharged by means of an explosive, spring, gas, air or other force.

2. The governing body of a city may proscribe by ordinance or regulation the unsafe discharge of firearms.

Open Carry (Without a Valid Permit/License)

Open Carry is legal. Places listed in the Places Off Limits Section may not be off limits to those who open carry. See Places Off Limits Above. Also see the “RV/Car Carry Without a Permit” section for carrying in a vehicle. 202.3673 states Airport Terminals are off limits for Concealed Carry. I am being told this makes open carry legal in Public Airports outside Security. The state preempts all firearm laws in the state and local authorities can’t have Laws/Ordinances against open carry. Remember that if you enter any property and the owner/responsible person ask you to leave you must leave. Failure to leave can result in Trespass Charges. The Minimum age for Open Carry is 18.

NevadaCarry.org  has very good info on Open Carry here. In some states Open Carry is forbidden in places where those with a valid permit/license can carry. This is not the last word on Open Carry in this state. Check at www.opencarry.org or go to Google and type in State Name Open Carry or Open Carry State Name for a search for open carry info in this state. Check with the State's RKBA Organization/s. Also see “Attorney General Opinions/Court Cases” Section for any written opinions/Cases on Open Carry.

Carry in Restaurants That Serve Alcohol

YES (There is no law stating it is illegal)

Note: A “YES” above means you can carry into places like described below. “NO” means you can’t. Handgunlaw.us definition of “Restaurant Carry” is carry in a restaurant that serves alcohol. Places like Friday’s or Red Lobster unless posted with “No Gun Signs.” This may or may not mean the bar or the bar area of a restaurant. But you can carry your firearm into a restaurant that serves alcohol and sit and eat without consuming. Handgunlaw.us recommends you not sit at the Bar or in the Bar area of such restaurants. In some states it is illegal to be in the Bar area of such restaurants.
Handgunlaw.us believes you should never consume alcohol when carrying your firearm. In some states it is illegal to take even one drink while carrying a firearm. If you want further info on carrying in places that serve alcohol check your state laws.

What Does NV Consider A Loaded Firearm?

NRS: CHAPTER 503 - Hunting, Fishing And Trapping; Miscellaneous Protective Measures

NRS 503.165 Carrying loaded rifle or shotgun in or on vehicle on or along public way unlawful; exceptions.

1. It is unlawful to carry a loaded rifle or loaded shotgun in or on any vehicle which is standing on or along, or is being driven on or along, any public highway or any other way open to the public.

2. For the purposes of this section:
   (a) A rifle or shotgun is loaded when there is an unexpended cartridge or shell in the firing chamber, but not when the only cartridges or shells are in the magazine.
   (b) A muzzle-loading rifle or muzzle-loading musket is not loaded if the priming compound or element, including, without limitation, the priming powder or the unfired primer or percussion cap, is removed from the muzzle-loading rifle or muzzle-loading musket

NRS 202.300 Use or possession of firearm by child under age of 18 years; unlawful to aid or permit child to commit violation; penalties; child 14 years of age or older authorized to possess firearm under certain circumstances.

9. For the purposes of this section, a firearm is loaded if:
   (a) There is a cartridge in the chamber of the firearm;
   (b) There is a cartridge in the cylinder of the firearm, if the firearm is a revolver; or
   (c) There is a cartridge in the magazine and the magazine is in the firearm or there is a cartridge in the chamber, if the firearm is a semiautomatic firearm.

Note: NV Law mentions Loaded and Unloaded in their laws but only gives the two definitions above. There seems to be confusion as only the second entry describes loaded for a firearm while the first defines it for long guns. Handgunlaw.us recommends you err on the side of caution and have no round in the chamber and no rounds in any magazine attached to the firearms until further information becomes available.

State Emergency Powers

Pursuant to Amendment II of the Constitution of the United States and Section 11 of Article 1 of the Constitution of the State of Nevada, and notwithstanding any other provision of law, the emergency powers conferred upon the Governor and upon the executive heads or governing bodies of the political subdivisions of this State must not be construed to allow:

1. The confiscation of a firearm from a person unless the person is:
   (a) In unlawful possession of the firearm; or
   (b) Unlawfully carrying the firearm; or

2. The imposition of additional restrictions as to the lawful possession, transfer, sale, carrying, storage, display or use of:
   (a) Firearms;

Note: Federal Law can apply if the state is receiving monetary and/or other assistance from the Federal Government. See US Code 42-5207 for Federal Law as it applies to States of Emergencies. The state quoted code may also not be all of the law on Emergency Powers held by the state. You should read the entire code on Emergency Powers etc for this state by following the link to the state code.

Minimum Age for Possessing and Transporting of Handguns.

Nevada 18 Y/O NRS 202.310

This is the minimum age for possessing and transporting a handgun unloaded and secured in a vehicle without any type of permit/license to carry firearms.

Note: In some states Possession and Transportation CAN be very restrictive in that you can ONLY possess and transport a handgun to and from a Shooting Range, Gun Shop, property you own or other places you can legally possess a handgun. Some states do not have this restriction.

This is not the last word on possession and transporting of handguns in this, or any other state. Study your state law further for more information. See “RV/Car Carry” Section Above for more information.
