Check each states page for more information and any restrictions that may apply.

Idaho, North Dakota and Wyoming have “Permitless Carry” for their Residents only.

Permits/Licenses This State Honors Listed Below

New York does not honor any other states Permit/License.

IMPORTANT NOTE: Your New York State pistol license is only valid in the counties outside the 5 counties of New York City unless it is validated by New York City. You may not take your handguns into the city, this includes Self Protection licensees, with a few exceptions.

How to Apply for a Permit

New York has so many laws and regulations that applying for a permit to carry can be a long drawn out process in some counties or rapid in others. Your best course of action is to check with the Licensing Officer in your City or County as they have a set procedure they go by.

Of the fifty-nine (59) licensing jurisdictions, fifty-five (55) issue pistol licenses through the courts with a judge serving as the licensing officer. Background investigations however are conducted by the local law enforcement agencies. The remaining jurisdictions, New York City, Nassau and Suffolk Counties have licensing officers that are either Police Commissioners or a Sheriff. All upstate counties except Westchester
have lifetime-licenses, also known as “Good-Until-Revoked”. Nassau, Suffolk and Westchester licenses expire every five years (5) and licenses issued in New York City have a two-year (2) expiration.

**Note:** New Law passed 1/15/13 states you must verify your permit every five years with authorities.

Every 5 years you will need to verify the following information on your pistol permit to the New York State Police: name, DOB, gender, race, residential address, social security number, the firearms possessed, and if you want, your e-mail address. The purpose of the recertification is to update information. This recertification process will not be in place for one year. Once it is in place, you will have up to four years to do your first recertification. If you still have not recertified after four years, you will receive a notice to recertify. Once you have completed the recertification, you must recertify every five years thereafter. If you do not recertify, your permit will no longer be valid and you will need to reapply. From the New York State Police FAQs

**Q - What section of the Penal Law authorizes the placing of restrictions on pistol permits by the issuing authority?**

The Penal Law does not specifically authorize the placing of restrictions on pistol permits. However, court decisions have consistently supported the ability of licensing officials to impose these restrictions. Such an imposition is an administrative function of the licensing officer.

Licensees in violation of these restrictions would therefore not be subject to criminal prosecution but would face action being taken by the court of issuance in the form of suspension or possible revocation of the license.

**Note:** Only a Qualified Retired Law Enforcement Officer or Unrestricted License are full carry licenses.

The United States Court of Appeals for the Second Circuit ruled on October 15, 2013 that a person who lived part time in New York could obtain a permit to purchase/possess firearms. I am hearing that more counties are issuing a permit to carry to non-residents. You can read the decision Here or go to the AG Opinions/Court Case Section for the decision.

**Note:** The United States Court of Appeals For the Third Circuit has ruled that Section 926A of Title 18 of the United States Code only protects those traveling by vehicle and does not cover a person transporting a firearm through an airport terminal to board an aircraft with an unloaded secured firearm in a locked box to be declared and in checked baggage to the airline. See Court ruling [Here](#).

For Federal Restrictions on Firearms see the [USA Page](#).

**Transporting Firearms Through New York**

The best way to travel through NY or any state that has restriction is to carry a copy of Title 18-Part I-Chapter 44 926A of the federal code with you. Some law enforcement may not know the law. DO keep the firearm in a locked box. Keep ammo in another locked box. No ammo in Magazines or speed loaders in the trunk or if no trunk as far back in the vehicle as possible in a locked box. By NY Law if you are traveling across the state and can legally possess the firearm where you started and where you are going you can transport it as above. But if you stop in NY and spend the night in a motel/hotel/camp ground etc you are in violation of NY law and can be arrested if found with a firearm. Stopping for gas and food would most likely be OK but this is not a given in NY.

**United States Code Title 18 - Part I - Chapter 44 § 926A. Interstate Transportation of Firearms**

Notwithstanding any other provision of any law or any rule or regulation of a State or any political subdivision thereof, any person who is not otherwise prohibited by this chapter from transporting, shipping, or receiving a firearm shall be entitled to transport a firearm for any lawful purpose from any place where he may lawfully possess and carry such firearm to any other place where he may lawfully possess and carry such firearm if, during such transportation the firearm is unloaded, and neither the firearm nor any ammunition being transported is readily accessible or is directly accessible from the passenger compartment of such transporting vehicle: Provided, That in the case of a vehicle without a compartment separate from the driver’s compartment the firearm or ammunition shall be contained in a locked container other than the glove compartment or console.
State Lands Off Limits

**§190.7 Public Campgrounds**

a. **Applicability.** The following sections of this Part apply to persons using public campgrounds under the jurisdiction of the department unless specified otherwise in this section: 190.0, 190.1, 190.2, 190.8 and 190.9. The following additional requirements apply to public campgrounds and in the event of a conflict, these specific regulations will control:

   3. Firearms may be possessed on the public campground only during the spring and fall hunting seasons. Unless otherwise posted, no discharge of firearms is permitted.

c. At Lake George Battlefield Park, the following additional regulations apply:

   1. Hunting, trapping or possessing firearms on any portion of the Lake George Battlefield Park is prohibited at all times.

e. No person, other than employees of the department, State Police and police officers, shall possess, carry, discharge or use firearms, ammunition, explosives or explosive substances or fireworks on the area, except that during the small game and big game hunting seasons, provided for by law, firearms and bows and arrows may be possessed and discharged.

   **§190.28 Specific Areas - Foot Trail Easements--Adirondack Mountain Reserve**

c. **Prohibitions.**

   1. No person shall enter upon trails 1 through 24 located on the Adirondack Mountain Reserve for purposes other than access to and egress from adjacent State-owned lands or hiking on these trails.

   2. No person shall carry firearms on Adirondack Mountain Reserve foot trail easements except at such times and on such trails as are hereinafter specified.

   3. No person shall carry a firearm or be accompanied by a person carrying a firearm under any circumstances when using Trails 2, 4, 5, 7, 11, 12, 13, 14, 15, 18, 19, 20 and 21.

   4. No person shall carry a firearm or be accompanied by a person carrying a firearm when using Trail 1, 3, 6, 8, 9, 10, 16, 17, 22, 23 or 24 except during such part of the annual Big Game and Small Game Seasons in the Northern Zone as shall occur from October 15th through December 15th and from January 15th through March 15th.

   5. No person shall carry a firearm when otherwise permitted unless said firearm is unloaded and either securely fastened in a case or taken down as defined in section 180.3 of this Title.

   **Note:** These are the only areas I can find that have specific laws that say you can’t possess a firearm. There are most likely other areas that the Dept of Environmental Conservation controls that may have regulations that state No Firearms. Do use caution on any property controlled by the DEC.

Do “No Gun Signs” Have the Force of Law?

“??????”

We are unable to determine if “No Gun” signs have the force of law in New York. Until we get more information Handgunlaw.us believes you should treat every “No Gun” sign on any private business as having the force of law.

Note: Handgunlaw.us believes when you come across a business that is posted that you not just walk away. That business needs to know that they lost your business because of their “No Gun” sign. Giving them a “No Firearms = No Money” card would do just that. You can print free “No Firearms = No Money” cards by going Here.

RV/Car Carry  (Without a Permit/License)

It is illegal to possess a loaded firearm in any motor vehicle without a valid New York Permit/License to Carry. It is illegal to possess any pistol in New York without a New York Pistol License. It is legal to transport a legal firearm through New York under Federal law:

**United States Code Title 18 - Part I - Chapter 44**

§926A. Interstate Transportation of Firearms

Notwithstanding any other provision of any law or any rule or regulation of a State or any political subdivision thereof, any person who is not otherwise prohibited by this chapter from transporting, shipping, or receiving a firearm shall be entitled to transport a firearm for any lawful purpose from any place where he may lawfully possess and carry such firearm to any other place where he may lawfully possess and carry such firearm if, during such transportation the firearm is unloaded, and neither the firearm nor any ammunition being transported is readily accessible or is directly accessible from the passenger compartment of such transporting vehicle: Provided, That in the case of a vehicle without a compartment separate from the driver’s compartment the firearm or ammunition shall be contained in a locked container other than the glove compartment or console.

NY also has restrictions on the type of firearms you can possess in NY and Magazines that hold more than 10 rounds or can be converted to hold more than 10 rounds are illegal. Use extreme caution when transporting a firearm through NY.

### From the NRA/ILA on Transporting Firearms through NY.

It is unlawful for any person to carry, possess or transport a handgun in or through the state unless he has a valid New York license. (A provision of federal law provides a defense to state or local laws which would prohibit the passage of persons with firearms in interstate travel if the person is traveling from any place where he may lawfully possess and transport a firearm to any other place where he may lawfully possess and transport such firearm and the firearm is unloaded and in the trunk. In vehicles without a trunk, the unloaded firearm shall be in a locked container other than the glove compartment or console).

Open Carry  (Without a Valid Permit/License)

To carry any firearm in New York a person must have a New York Permit/License. If you have a New York Permit given the politically sensitive nature of handgun licensing in New York State, Handgunlaw.us recommends keeping your firearm concealed.

Handgunlaw.us was hearing that NY would make rules concerning the Possession and Carrying of these devices but has seen no attempt by NY to do so. NYC Administrative Rule 10-135 would be Unconstitutional also. So possession and carrying are legal until/if New York makes Administrative Rules governing their possession and carrying. Use Caution as they could adopt a new Administrative Rule at any time.

New York 21 Y/O Penal Code, Part 4 title W, § 400.00

This is the minimum age for possessing and transporting a handgun unloaded and secured in a vehicle without any type of permit/license to carry firearms. Some states (and counties) require Firearms Identification Cards, and/or registration.

Note: In some states Possession and Transportation CAN be very restrictive in that you can ONLY possess and transport a handgun to and from a Shooting Range, Gun Shop, property you own or other places you can legally possess a handgun. Some states do not have this restriction.

This is not the last word on possession and transporting of handguns in this, or any other state. Study your state law further for more information. See “RV/Car Carry” Section Above for more information.
