Note: Alaska, Arizona, Arkansas, Kansas, Kentucky, Maine, Mississippi, Missouri, New Hampshire, Oklahoma, South Dakota, Vermont and West Virginia have “Permitless Carry.” Anyone who can legally possess a firearm may carry it concealed in these states without a Permit/License. Check each states page for more information and any restrictions that may apply.

Idaho, North Dakota and Wyoming have “Permitless Carry” for their Residents only.

Permits/Licenses This State Honors  Listed Below

New York City does not honor any other states permits and even a New York State Permit/License to carry is not valid in New York City without a NYC Endorsement. The map above for NY State also applies to NYC carry licenses if it is unrestricted. That means you have a permit in NYC that allows you to carry your firearm any time in the city.

How to Apply for a Permit

Title 38 Chpt. 5 § 5-01 thru § 5-33  Types of Handgun Licenses.

Premises License: This is a restricted handgun license, issued for a specific business or residence location. The handgun shall be safeguarded at the specific address indicated on the license, except when the licensee transports or possesses such handgun consistent with these Rules. The licensee may transport the handgun(s) listed on her/his license, unloaded, in a locked container, the ammunition to be carried separately, directly to and from the following locations: (i) Another residence, or place of business, of the licensee where the licensee is authorized to possess such handgun. Such residence or place of business may be within or outside New York City. (ii) A lawful small arms range/shooting club or lawful shooting competition. Such range, club, or competition may be within or outside New York City.

Note: NYC just amended the above section to allow travel with firearm outside city. It may not show up in their Administrative Code immediately.

Carry Business License: This license permits the carrying of a handgun concealed on the person. It is valid for the business name, address, and handguns listed on the license. It is not transferable to any other person, business, occupation, or address, without the written approval of the License Division's Commanding Officer. This license may also be issued for safety reasons unrelated to business.

Limited Carry Business License: This is a restricted type of license. The licensee may only carry handguns indicated on the license in accordance with the specific limitations listed thereon. At all other times, the handgun must be safeguarded within the confines of the address listed on the front of the license, either concealed on the licensee's person in a proper holster or stored unloaded in a locked safe.

Special Carry License: The Special Carry License is valid for the business name, address and handguns listed on the license, only while the licensee has in his possession a valid carry county license issued according to the provisions of article 400 of the N.Y.S. Penal law. Upon the revocation, suspension, or cancellation of the basic county license, the Special Carry License is rendered void and must be immediately returned to the License Division. (For Retired Law Enforcement officers who wish to apply for a Special Carry handgun license, follow the instructions listed below-“Instructions For Law Enforcement (Non-NYPD) Retirees Who Reside Outside of New York City”).

Carry Guard License: (security guards, etc.) This is a restricted type of license. Applications for this type of license must be made with the documentation provided by a company's gun custodian. It is issued only for the handgun listed on the license. The handgun may be carried only while the licensee is actively engaged in employment for the company whose name appears on the license and/or while licensee is in transit directly to or from residence and place of employment. At all other times, the handgun must be stored unloaded in a locked container, at either the address on the license or at the employee's legal residence (within the State of New York).

Note: New Law passed 1/15/13 states you must verify your permit every five years with authorities.

Every 5 years you will need to verify the following information on your pistol permit to the New York State Police: name, DOB, gender, race, residential address, social security number, the firearms possessed, and if you want, your e-mail address. The purpose of the recertification is to update information. This recertification process will not be in place for one year. Once it is in place, you will have up to four years to do your first recertification. If you still have not recertified after four years, you will receive a notice to recertify. Once you have completed the recertification, you must recertify every five years thereafter. If you do not recertify, your permit will no longer be valid and you will need to reapply. You can read the information Here or Here.

www.handgunlaw.us
From the New York State Police FAQs.

Q - What section of the Penal Law authorizes the placing of restrictions on pistol permits by the issuing authority?

A - The Penal Law does not specifically authorize the placing of restrictions on pistol permits. However, court decisions have consistently supported the ability of licensing officials to impose these restrictions. Such an imposition is an administrative function of the licensing officer.

Licensees in violation of these restrictions would therefore not be subject to criminal prosecution but would face action being taken by the court of issuance in the form of suspension or possible revocation of the license.

Non-Resident Permits

NY Pen. Code § 400.00

3. Applications. (a) Applications shall be made and renewed, in the case of a license to carry or possess a pistol or revolver, to the licensing officer in the city or county, as the case may be, where the applicant resides, is principally employed or has his or her principal place of business as merchant or storekeeper; and, in the case of a license as gunsmith or dealer in firearms, to the licensing officer where such place of business is located. Blank applications shall, except in the city of New York, be approved as to form by the superintendent of state police.

The United States Court of Appeals for the Second Circuit ruled on October 15, 2013 that a person who lived part time in New York could obtain a permit to purchase/possess firearms. I am hearing that more counties are issuing a permit to carry to non-residents. You can read the decision Here or go to the AG Opinions/Court Case Section for the decision.

Note: The News Media published a map of NY Permit holders from Westchester and Rockland counties on 12/22/12. They filed a Freedom of Information request for Permits issued in those counties. NY State Permits issued by those counties had addresses listed on the permit for people living in CT, NJ, NC, VA, FL and TX. These people most likely have a business or own property in NY but issue to non-residents seems certain. If you apply you would follow the same procedures as a resident. (See Resident Permit Section)

Places Off-Limits Even With a Permit/License

These places listed in State Law would also apply in New York City. NYC may add other restriction if they wish.

- Firearms (other than carried by peace officers and federal officers) are NOT permitted in courthouses under the rules of the NYS Office of Court Administration, which have the force and effect of law. Federal law bans firearms in federal courthouses and US attorney offices, except for law enforcement personnel on official business.
- Certain cities and all counties may, under home rule options, ban firearms from their governmental buildings.

N.Y. Comp. Codes R. & Regs. tit. 14, § 45.1 - No person shall bring into or possess a firearm at any facility of the Department of Mental Hygiene, or any residential facility which has an operating certificate issued by the department, except with permission of the director of the facility as hereinafter stated.

N.Y. Comp. Codes R. & Regs. tit. 14, § 542.5(a) - No person shall bring into or possess a firearm at any facility operated or licensed by the Office of Mental Health except as provided in this section.

Note: The United States Court of Appeals For the Third Circuit has ruled that Section 926A of Title 18 of the United States Code only protects those traveling by vehicle and does not cover a person transporting a firearm through an airport terminal to board an aircraft with an unloaded secured firearm in a locked box to be declared and in checked baggage to the airline. See Court ruling Here.

For Federal Restrictions on Firearms see the USA Page.

Transporting Firearms Through New York

The best way to travel through NY or any state that has restriction is to carry a copy of Title 18-Part 1-Chapter 44 926A of the federal code with you. Some law enforcement may not know the law. DO keep the firearm in a locked box. Keep ammo in another locked box. No ammo in Magazines or speed loaders in the trunk or if no trunk as far back in the vehicle as possible in a locked box. This covers all bases. All of this may not be necessary but it may save you some grief.
United States Code Title 18 - Part I - Chapter 44

§926A. Interstate Transportation of Firearms

Notwithstanding any other provision of any law or any rule or regulation of a State or any political subdivision thereof, any person who is not otherwise prohibited by this chapter from transporting, shipping, or receiving a firearm shall be entitled to transport a firearm for any lawful purpose from any place where he may lawfully possess and carry such firearm to any other place where he may lawfully possess and carry such firearm if, during such transportation the firearm is unloaded, and neither the firearm nor any ammunition being transported is readily accessible or is directly accessible from the passenger compartment of such transporting vehicle: Provided, That in the case of a vehicle without a compartment separate from the driver’s compartment the firearm or ammunition shall be contained in a locked container other than the glove compartment or console.

Note: Knife Rights is stating that NY City’s interpretation of the law is that almost any folding pocketknife can be interpreted there as an illegal “gravity knife. Use Caution.

Do “No Gun Signs” Have the Force of Law?

“??????”

We are unable to determine if “No Gun” signs have the force of law in New York/New York City. Until we get more information Handgunlaw.us believes you should treat every “No Gun” sign on any private business as having the force of law.

Note: Handgunlaw.us believes when you come across a business that is posted that you not just walk away. That business needs to know that they lost your business because of their “No Gun” sign. Giving them a “No Firearms = No Money” card would do just that. You can print free “No Firearms = No Money” cards by going Here.

Upon demand, the license shall be exhibited for inspection to any peace officer, who is acting pursuant to his or her special duties, or police officer.

RV/Car Carry Without a Permit/License

It is illegal to possess a loaded firearm in any motor vehicle without a valid New York Permit/License to Carry. It is illegal to possess any pistol in New York without a New York Pistol License. It is legal to transport a legal firearm through New York under Federal law:

United States Code Title 18 - Part I - Chapter 44 § 926A. Interstate Transportation of Firearms

Notwithstanding any other provision of any law or any rule or regulation of a State or any political subdivision thereof, any person who is not otherwise prohibited by this chapter from transporting, shipping, or receiving a firearm shall be entitled to transport a firearm for any lawful purpose from any place where he may lawfully possess and carry such firearm to any other place where he may lawfully possess and carry such firearm if, during such transportation the firearm is unloaded, and neither the firearm nor any ammunition being transported is readily accessible or is directly accessible from the passenger compartment of such transporting vehicle: Provided, That in the case of a vehicle without a compartment separate from the driver's compartment the firearm or ammunition shall be contained in a locked container other than the glove compartment or console.

NY also has restrictions on the type of firearms you can possess in NY and Magazines that hold more than 10 rounds or can be converted to hold more than 10 rounds are illegal. Use extreme caution when transporting a firearm through NY.

From the NRA/ILA on Transporting Firearms through NY.

It is unlawful for any person to carry, possess or transport a handgun in or through the state unless he has a valid New York license. (A provision of federal law provides a defense to state or local laws which would prohibit the passage of persons with firearms in interstate travel if the person is traveling from any place where he may lawfully possess and transport a firearm to any other place where he may lawfully possess and transport such firearm and the firearm is unloaded and in the trunk. In vehicles without a trunk, the unloaded firearm shall be in a locked container other than the glove compartment or console).

Open Carry (Without a Valid Permit/License)

To carry any firearm in New York City a person must have a New York City Permit/License. The open carrying of a firearm would most likely get your permit/license to carry revoked.

Note: New York Statutes does not have a preemption law for firearms, ammunition or their accessories.

Knife Laws State/Cities

6/3/19 - New York City Mayor is stating that MTA (City Transportation) has a rule (MTA Rule 1050.8) on Gravity Knives and will arrest anyone carrying a Lock back knife (They say is a Gravity Knife) if carrying on their Subways. 5/29/19 - Per Bill No. A05944 The State of New York as struck “Gravity Knife” from their law as a Deadly Weapon. They were stating that an Assisted Opening Knife was a Gravity Knife and illegal especially in NY. See Knife Laws for any length restrictions.

Carry in Restaurants That Serve Alcohol

YES

Note: A “YES” above means you can carry into places like described below. “NO” means you can’t. Handgunlaw.us definition of “Restaurant Carry” is carry in a restaurant that serves alcohol. Places like Friday’s or Red Lobster unless posted with “No Gun Signs.” This may or may not mean the bar or the bar area of a restaurant. But you can carry your firearm into a restaurant that serves alcohol and sit and eat without consuming. Handgunlaw.us recommends you not sit at the Bar or in the Bar area of such restaurants. In some states it is illegal to be in the Bar area of such restaurants. Handgunlaw.us believes you should never consume alcohol when carrying your firearm. In some states it is illegal to take even one drink while carrying a firearm. If you want further info on carrying in places that serve alcohol check your state laws.

Chemical Sprays/Stun Gun/Higher Capacity Magazine Laws

Large Capacity Ammunition Feeding Devices

NY Pen. Code § 265.00
N.Y. Pen. Law 265.00 (1) 23. "Large capacity ammunition feeding device" means a magazine, belt, drum, feed strip, or similar device, that
(A) Has a capacity of, or that can be readily restored or converted to accept, more than ten rounds of ammunition, OR

(C) Is obtained after the effective date of the chapter of the Laws of two thousand thirteen which amended this subdivision and has a Capacity of, or that can be readily restored or converted to accept, more than ten rounds of ammunition; provided, however, that such term does not include an attached tubular device designed to accept, and capable of operating only with, .22 caliber rimfire ammunition or a feeding device that is a curio or relic.

**Stun Devices/Electric Weapons:**

NY Pen Code § 265.01 New York City Administrative Code § 10-135

Stun Devices/Electric Weapons are illegal in NY State & New York City.

**Note:** U.S. District Court Northern District of New York has Ruled that Stun Guns and Taser Ban in N.Y. Pen. Law 265.01 (1) is Unconstitutional. Handgunlaw.us was hearing that NY would make rules concerning the Possession and Carrying of these devices but has seen no attempt by NY to do so. NYC Administrative Rule 10-135 would be Unconstitutional also. So possession and carrying are legal until/if New York makes Administrative Rules governing their possession and carrying. See Knife Law Section above. Use Caution as they could pass a city ordinance at any time.

**Chemical Sprays:**

Pen. Code § 265.20

14. Possession in accordance with the provisions of this paragraph of a self-defense spray device as defined herein for the protection of a person or property and use of such self-defense spray device under circumstances which would justify the use of physical force pursuant to article thirty-five of this chapter.

(a) As used in this section "self-defense spray device" shall mean a pocket sized spray device which contains and releases a chemical or organic substance which is intended to produce temporary physical discomfort or disability through being vaporized or otherwise dispensed in the air or any like device containing tear gas, pepper or similar disabling agent.

(b) The exemption under this paragraph shall not apply to person who:

(i) is less than eighteen years of age; or

(ii) has been previously convicted in this state of a felony or any assault; or

(iii) has been convicted of a crime outside the state of New York which if committed in New York would constitute a felony or any assault crime.

15. Possession and sale of a self-defense spray device as defined in paragraph fourteen of this subdivision by a dealer in firearms licensed pursuant to section 400.00 of this chapter, a pharmacist licensed pursuant to article one hundred thirty-seven of the education law or by such other vendor as may be authorized and approved by the superintendent of state police.

(a) Every self-defense spray device shall be accompanied by an insert or inserts which include directions for use, first aid information, safety and storage information and which shall also contain a toll free telephone number for the purpose of allowing any purchaser to call and receive additional information regarding the availability of local courses in self-defense training and safety in the use of a self-defense spray device.

(b) Before delivering a self-defense spray device to any person, the licensed or authorized dealer shall require proof of age and a sworn statement on a form approved by the superintendent of state police that
such person has not been convicted of a felony or any crime involving an assault. Such forms shall be forwarded to the division of state police at such intervals as directed by the superintendent of state police. Absent any such direction the forms shall be maintained on the premises of the vendor and shall be open at all reasonable hours for inspection by any peace officer or police officer, acting pursuant to his or her special duties. Minimum Age for Possessing and Transporting of Handguns.

New York City  21 Y/O     NY Penal Code, Part 4 title W, § 400.00
This is the minimum age for possessing and transporting a handgun unloaded and secured in a vehicle without any type of permit/license to carry firearms.

Some states (and counties) require Firearms Identification Cards, and/or registration.

Note: In some states Possession and Transportation CAN be very restrictive in that you can ONLY possess and transport a handgun to and from a Shooting Range, Gun Shop, property you own or other places you can legally possess a handgun. Some states do not have this restriction.

This is not the last word on possession and transporting of handguns in this, or any other state. Study your state law further for more information. See “RV/Car Carry” Section Above for more information.
