Permits/Licenses This State Honors Listed Below

The State of South Dakota recognizes any valid concealed pistol permit issued to a nonresident of South Dakota according to the terms of its issuance in the state of its issue. § 23-7-7.4 The South Dakota Secretary of State states it "Here" also.

South Dakota Honors Non-Resident Permits/Licenses From the States They Honor.

Reciprocity/How This State Honors Other States Permit/Licenses

Any valid permit to carry a concealed pistol, issued to a nonresident of South Dakota, is valid in South Dakota according to the terms of its issuance in the state of its issue, but only to the extent that the terms of issuance comply with any appropriate South Dakota statute or promulgated rule. This section does not require a nonresident of this state who may lawfully possess a pistol to have a permit in order to carry a concealed pistol in this state.
Permitless Carry

23-7-7. A permit to carry a concealed pistol shall be issued to any person by the sheriff of the county in which the applicant resides……. The issuance of a permit to carry a concealed pistol under this chapter, or the recognition of nonresident permits to carry a concealed pistol under § 23-7-7.4, does not impose a general prohibition on the carry of a pistol without a permit.

§ 23-7-7.4. Any valid permit to carry a concealed pistol, issued to a nonresident of South Dakota, is valid in South Dakota……. This section does not require a nonresident of this state who may lawfully possess a pistol to have a permit in order to carry a concealed pistol in this state.

How to Apply for a Permit

Note: Even though South Dakota is a Permitless Carry State they still issues permits to carry especially due to reciprocity for their permit holders. More information can be found Here.

Permit to Carry a Concealed Pistol

A new or renewed Permit to Carry a Concealed Pistol may be obtained from the sheriff of the county which the applicant is a resident (SDCL 23-7-7).

Duration of permit and fees

Three types of permits are available in South Dakota - a regular permit, a gold card permit and an enhanced permit. All three permits are valid for five years. The enhanced permit is only valid when it is carried with a government issued form of identification that includes a picture of the permit holder (SDCL 23-7-8.2, SDCL 23-7-55).

The fee for the regular permit is $10.00 (SDCL 23-7-8.2). The fee for the gold card permit is $70 (SDCL 23-7-60). The fee for the enhanced permit is $100 (SDCL 23-7-53).

The holder of the enhanced permit may renew the permit through the sheriff of the county where the holder resides for a period beginning ninety days before the permit expires and ending thirty days after expiration of the permit, if the holder pays the fifty dollar renewal fee and passes a National Instant Criminal Background Check. If the holder of the enhanced permit to carry a concealed pistol does not renew the permit within thirty days of expiration of the permit, the holder must reapply for an enhanced permit to carry a concealed pistol as outlined in SDCL 23-7-53 (SDCL 23-7-56). The holder of a gold card permit may renew the permit within 90 days of expiration (SDCL 23-7-62), and a holder of a regular permit may renew 90 days prior to expiration (23-7-8.11).

• Has physically resided in and is a resident of the county where the application is being made for at least thirty days immediately preceding the date of the application;

• Has no pending charges or previous violations of chapter 23-7, firearms control, 22-14, unlawful use of weapons, or 22-42, controlled substances; and marijuana, that constitute a felony or misdemeanor in the five years preceding the date of application.

• Is a citizen or legal resident of the United States; and

• Is not a fugitive from justice.

• Is not otherwise prohibited by state law, 18 U.S.C. § 922(g) as amended to October 26, 2005, or 18 U.S.C. § 922(n) as amended to October 26, 2005, from receiving, possessing or transporting a firearm, and passes a National Instant Criminal Background Check.

Note: March 2018: South Dakota passed HB 1083 which changed the requirements to obtain an Enhanced Permit to 21 Years of Age. Those 18 can still get a Regular permit and the state will now issue a “Restricted Enhanced” to those 18-20. Those 18-20 with an Existing Enhanced Permit will be reissued at no cost a Restricted Enhanced. Inside South Dakota there will be no difference in how the Restricted Enhanced and Enhanced are recognized. Handgunlaw.us believes this was done to allow more states to honor the South Dakota Enhanced Permit. To accomplish this they had to have a permit by a different name for those under 21. Check with the South Dakota Sec. of States Website for more information.

In addition to the above requirements, the enhanced permit also requires the following:

• A copy of the applicant's fingerprints for submission to the FBI, and any governmental agency or entity authorized to receive such information, for a state, national, and international criminal history background check;

• An authorization to run such fingerprint background check;

• A separate payment for the cost of processing the fingerprint background check;

• Proof the applicant has successfully completed a qualifying handgun course as defined in SDCL 23-7-58 within the preceding twelve months or proof that the applicant is a current or former South Dakota law enforcement officer.

The sheriff shall forward the copy of the applicant's fingerprints, along with the applicant's authorization and payment to DCI for processing (SDCL 23-7-53).

Temporary Application

The applicant for a regular or enhanced permit shall complete the Application for a Temporary Permit to Carry a Concealed Pistol form. The information required for the permit includes: the applicant's complete name, address, occupation, place and date of birth, physical description, a statement that the applicant has never pled guilty or nolo contendere or been convicted of a felony or crime of violence, a sworn statement that the information on the application is true and correct, and the applicant's signature (SDCL 23-7-8).

Providing false information or false evidence of identity in applying for a permit to carry a concealed pistol is a Class 6 felony punishable by up to two years imprisonment in the state penitentiary or a fine of two thousand dollars, or both.

The sheriff will issue a regular temporary permit within five days from the date of application (SDCL 23-7-7.1). Because of the fingerprint background investigation required for an enhanced permit, the issuance of the enhanced temporary permit may take longer.

Within seven days after the regular or enhanced temporary permit has been issued, the sheriff shall send a copy of the application to the Secretary of State Office, who will issue the official permit within 30 days of the issuance of the temporary permit (SDCL 23-7-8).
Non-Resident Permits

Note: South Dakota does not issue Non-Resident Permit/Licenses except as described below.

Do “No Gun Signs” Have the Force of Law?

“NO”

“Handgunlaw.us highly recommends that you not enter a place that is posted "No Firearms" no matter what the state laws read/mean on signage. We recommend you print out the No Guns = No Money Cards and give one to the owner of the establishment that has the signage.” As responsible gun owners and upholders of the 2nd Amendment we should also honor the rights of property owners to control their own property even if we disagree with them.”

“No Firearm” signs in South Dakota have no force of law unless they are posted on property that is specifically mentioned in State Law as being off limits to those with a Permit/License to Carry. If you are in a place not specifically mentioned in the law that is posted and they ask you to leave, you must leave. If you refuse to leave then you are breaking the law and can be charged. Even if the property is not posted and you are asked to leave you must leave. Always be aware of the possibility that responding Police Officers who may have been called without your knowledge and may not know the laws on trespass etc. could arrest you even if you are within the law.

Must Inform Officer Immediately on Contact By Law?

“NO”

South Dakota being a permitless carry state does not require a permit to carry for anyone who is 18 years of age or older and can legally possess a firearm. There is nothing in South Dakota Statute/Administrative Rules that requires a carrier to inform an Officer that they are carrying upon official contact by a Law Enforcement Officer but never lie to an Officer on any type of official contact.

RV/Car Carry Without a Permit/License

23-7-7. A permit to carry a concealed pistol shall be issued to any person by the sheriff of the county in which the applicant resides. The issuance of a permit to carry a concealed pistol under this chapter, or the recognition of nonresident permits to carry a concealed pistol under § 23-7-7.4, does not impose a general prohibition on the carry of a pistol without a permit.

§ 23-7-7.4. Any valid permit to carry a concealed pistol, issued to a nonresident of South Dakota, is valid in South Dakota. This section does not require a nonresident of this state who may lawfully possess a pistol to have a permit in order to carry a concealed pistol in this state.

Note: Anyone 18 years of age or older who can legally possess a firearm can carry concealed in South Dakota without Permit/License.

Open Carry (Without a Valid Permit/License)

Open Carry is legal. South Dakota is a permitless carry state. Anyone 18 or older who can legally possess a firearm can carry openly or concealed in South Dakota without a permit/license. Places as listed in the “Places Off Limits” above apply to those who open carry.

The state preempts all firearm laws in the state and local authorities can’t have Laws/Ordinances against open carry. Remember that if you enter any property and the owner/responsible person ask you to leave you must leave. Failure to leave can result in Trespass Charges. The Minimum age for Open Carry is 18.

In some states Open Carry is forbidden in places where those with a valid permit/license can carry. This is not the last word on Open Carry in this state. Check at www.opencarry.org or go to Google and type in State Name Open Carry or Open Carry State Name for a search for open carry info in this state. Check with the State's RKBA Organization/s. Also see “Attorney General Opinions/Court Cases” Section for any written opinions/Cases on Open Carry.

Carry in Restaurants That Serve Alcohol

**YES § 23-7-xx** (Code moved to new section in 23-7 that has not been number completely yet. See SB 47)

**Note:** A “YES” above means you can carry into places like described below. “NO” means you can’t. Handgunlaw.us definition of “Restaurant Carry” is carry in a restaurant that serves alcohol. Places like Friday’s or Red Lobster unless posted with “No Gun Signs.” This may or may not mean the bar or the bar area of a restaurant. But you can carry your firearm into a restaurant that serves alcohol and sit and eat without consuming. Handgunlaw.us recommends you not sit at the Bar or in the Bar area of such restaurants. In some states it is illegal to be in the Bar area of such restaurants. Handgunlaw.us believes you should never consume alcohol when carrying your firearm. In some states it is illegal to take even one drink while carrying a firearm. If you want further info on carrying in places that serve alcohol check your state laws.

LEOSA State Information

South Dakota LEOSA Information

AG's Explanation of the Law on Carrying Firearms in Vehicles.

The Law Enforcement Officers Safety Act of 2004 amended the Federal criminal code to authorize qualified law enforcement officers (including certain qualified retired officers) carrying the photographic identification issued by their governmental agency, notwithstanding State or local laws, to carry a concealed firearm. The federal law provides that such authorization shall not supersede State laws that:

(1) permit private entities to prohibit the possession of concealed firearms on their property; or

(2) prohibit the possession of firearms on State or local government property. The law also excludes from the definition of "firearm" any machine gun, firearm silencer, or destructive device.
