West Virginia will honor Resident and Non Resident Permit/Licenses from the states they honor.
(Must be 21 years of age or older to carry concealed with a permit WV honors or under Permitless Carry.)

To see the WV AG’s listing of states that honor the West Virginia Provisional Permit (18-20 Y/O) click on State Reciprocity Info in Links Section.

Note: West Virginia is a Permitless Carry state and any resident or non-resident who is 21 Y/O or Active Military 18 Y/O and can legally possess a firearm can carry it concealed in West Virginia without any type

of permit/license. By statute West Virginia still doesn’t honor all other states permit/licenses. This is the reason why the listing of states West Virginia honors doesn’t state it honors all other states.

**Reciprocity/How This State Honors Other States Permit/Licenses**

**§61-7-6A. Reciprocity and Recognition; Out-of-State Concealed Handgun Permits.**

(a) Valid out-of-state permit or license to possess or carry a handgun is valid in this state for the carrying of a concealed handgun, if the following conditions are met:

1. The permit or license holder is 21 years or older;
2. The permit or license is in his or her immediate possession;
3. The permit or license holder is not a resident of the State of West Virginia; and,
4. The Attorney General has been notified by the Governor of the other state that the other state allows residents of West Virginia who are licensed in West Virginia to carry a concealed handgun to carry a concealed handgun in that state or the Attorney General has entered into a written reciprocity agreement with the appropriate official of the other state whereby the state agrees to honor West Virginia concealed handgun licenses in return for same treatment in this state.

(b) A holder of a valid permit or license from another state who is authorized to carry a concealed handgun in this state pursuant to provisions of this section is subject to the same laws and restrictions with respect to carrying a concealed handgun as a resident of West Virginia who is so permitted, and must carry the concealed handgun in compliance with the laws of this state.

(c) A license or permit from another state is not valid in this state if the holder is or becomes prohibited by law from possessing a firearm.

(d) The West Virginia Attorney General shall seek to obtain recognition of West Virginia concealed handgun licenses and enter into and execute reciprocity agreements on behalf of the State of West Virginia with states for the recognition of concealed handgun permits issued pursuant to this article.

(e) The West Virginia State Police shall maintain a registry of states with which the State of West Virginia has entered into reciprocity agreements or which recognize West Virginia concealed handgun licenses on the criminal information network and make the registry available to law-enforcement officers for investigative purposes.

(f) Every twelve months after the effective date of this section, the West Virginia Attorney General shall make written inquiry of the concealed handgun licensing or permitting authorities in each other state as to: (i) Whether a West Virginia resident may carry a concealed handgun in their state based upon having a valid West Virginia concealed handgun permit; and (ii) whether a West Virginia resident may carry a concealed handgun in that state based upon having a valid West Virginia concealed handgun permit, pursuant to the laws of that state or by the execution of a valid reciprocity agreement between the states.

(g) The West Virginia State Police shall make available to the public a "List of States" which have entered into reciprocity agreements with the State of West Virginia or that allow residents of West Virginia who are licensed in West Virginia to carry a concealed handgun to carry a concealed handgun in that state.

Those 21 or older if they can legally possess a firearm can carry it concealed in all other places a person with a permit West Virginia issues or honors can carry under permitless carry. Though West Virginia will allow residents of West Virginia 18-20 years of age to obtain provisional permits to carry in West Virginia, West Virginia still requires non-residents with a permit/licenses West Virginia honors or those carrying under permitless carry to be 21 years of age or older.

How to Apply for a Permit/License

Take a Class as described Below:

§61-7-4. License to Carry Deadly Weapons; How Obtained.

(12) (d) All persons applying for a license must complete a training course in handling and firing a handgun, which includes the actual live firing of ammunition by the applicant. The successful completion of any of the following courses fulfills this training requirement: Provided, That the completed course includes the actual live firing of ammunition by the applicant:

(1) Any official National Rifle Association handgun safety or training course;
(2) Any handgun safety or training course or class available to the general public offered by an official law-enforcement organization, community college, junior college, college or private or public institution or organization or handgun training school utilizing instructors duly certified by the institution;

(4) Any handgun training or safety course or class conducted by any branch of the United States military, reserve or National Guard or proof of other handgun qualification received while serving in any branch of the United States military, reserve or National Guard.

**Note:** (You must fire a handgun as part of the class). Take the course certificate plus your West Virginia Drivers License/ID to the Sheriff’s Office in the county you reside. Ask for an Application and fill out application. They will contact you when your Permit/License is available for pickup. The Sheriff charges $75.00 and the State Police charge $25.00 for the background check. Most Sheriffs charge $5.00 extra for the Drivers License Type CHL. That makes the total $105.00. The WV State Police are given the information on who has been issued Permit/Licenses as they have a toll free 800 number that can be accessed to verify that any permit/license is valid.

**Provisional Permits for WV Residents 18 – 20 Years Old.**

carrying or possessing a firearm openly or that is not lawfully concealed in a municipally owned recreation facility: Provided, That a municipality may not prohibit a person with a valid concealed handgun permit from carrying an otherwise lawfully possessed firearm into a municipally owned recreation facility and securely storing the firearm out of view and access to others during their time at the municipally owned recreation facility.

(f) Redress for an alleged violation of this section may be sought through the provisions of chapter fifty-three of this code, which may include the awarding of reasonable attorneys fees and costs.

Where Cities/Municipalities May Ban Carry

SB317 (2014 session) preemption made state law uniform. Cities may not ban carry on property in excess of what state law allows. This was a major win for firearms rights, as it removed a minefield where various cities had different laws. Places cities may ban carry:

- City Hall
- Convention Centers
- Administrative Buildings
- Other buildings used for the business of city government, not to include parks and garages
- Open carry without a CHL on city property
- Open carry without a license at a festival/fair/event where streets or sidewalks are blocked for the event

From the WVCDL Carry in City Parks and Recreation Areas

The West Virginia Citizens Defense League suit against the City of Charleston has been decided (9/21/17) in the Circuit Court of Kanawha County. This ruling does not just affect Charleston. Every city in West Virginia now has a ruling prohibiting their ability to disarm us in these facilities. You can read the ruling Here.

The illegal portions of Charleston's ordinance banning firearms at: "... all parks and recreation buildings and facilities, including recreation centers, playgrounds, swimming pools, dressing areas, tennis courts, parks and recreation areas and all parking facilities " is null and void.

www.handgunlaw.us
- **School property remains off limits** (excepting pickup and drop off per SB388 if you have a permit to carry), **and any property to which the school systems hold deed, title, or lease**, is a felony. This includes the Martin Luther King, Jr. Recreational Center.

- **Definition of the term "securely stored:"** "... as being on one's person and in a holster, purse, or bag so as long as the weapon remains attached to the individual, firmly adhered to one's body, and is not freely placed."

Meat of the ruling: "This court does hereby further find that if the municipal recreation center is **not leased or used by the Board of Education for school activities, events, or functions**, then individuals with a valid license to carry a concealed weapon may carry their lawfully possessed firearm into said premises so long as the firearm is **securely stored, out of view and access to others** as prescribed by W. Va. Code 8-12-5a. The phrase "securely stored out of view and access to others" is interpreted by this court as being on one’s person and in a holster, purse, or bag so as long as the weapon remains attached to the individual, firmly adhered to one’s body, and is not freely placed. Storing a firearm within the confines of one’s locker or gun case is also acceptable, so long as the locker or case is locked and secured by key or combination.

**Note:** The West Virginia State Police Barracks and the DMV Regional Offices that I have been to have signs posted stating “No Firearms.” WV preemption (See Preemption Section Below) only covers municipalities. St. Police and DMV Offices are not mentioned in WV Law on being off limits. I would not want to be the test case. People at the state level are stating that 61-6-19 and 61-7-14 gives them the authority on all state property.

**Firearm Carry in West Virginia State Parks**  
( **WVDNR**)

Park guests may possess and carry cased rifles or shotguns within the boundaries of state parks. "Cased rifle or shotgun" means a rifle or shotgun which is contained in a fully enclosing case which requires a zipper, lid or other cover to be opened for access.

Park guests may possess and carry cased handguns within the boundaries of state parks subject to general state law or restrictions on such carry. "Cased handgun" means a handgun carried in a concealed manner or a handgun which is otherwise contained in a fully enclosing case or any type of secure holster.

Park guests shall not be required to obtain written permission prior to transporting a cased firearm within the boundaries of the area.

Note: §61-7-11a does not allow anyone without a permit WV issues or honors to have a loaded firearm in their vehicle in a K-12 parking lot. That law still applies even with the Parking Lot Storage Law as stated above.

Do “No Gun Signs” Have the Force of Law?

“NO”

“No Firearm” signs in West Virginia have no force of law unless they are posted on property that is specifically mentioned in State Law as being off limits to those with a Permit/License to Carry. If you are in a place not specifically mentioned in the law that is posted and they ask you to leave, you must leave. If you refuse to leave then you are breaking the law and can be charged. Even if the property is not posted and you are asked to leave you must leave. Always be aware of the possibility that responding Police Officers who may have been called without your knowledge and may not know the laws on trespass etc. could arrest you even if you are within the law.

“Handgunlaw.us highly recommends that you not enter a place that is posted "No Firearms" no matter what the state laws read/mean on signage. We recommend you print out the No Guns = No Money Cards and give one to the owner of the establishment that has the signage.” As responsible gun owners and upholders of the 2nd Amendment we should also honor the rights of property owners to control their own property even if we disagree with them.”

Minimum Age for Possessing and Transporting of Handguns.

West Virginia 18 Y/O §61-7-8

This is the minimum age for possessing and transporting a handgun unloaded and secured in a vehicle without any type of permit/license to carry firearms.
Note: In some states Possession and Transportation CAN be very restrictive in that you can ONLY possess and transport a handgun to and from a Shooting Range, Gun Shop, property you own or other places you can legally possess a handgun. Some states do not have this restriction.

This is not the last word on possession and transporting of handguns in this, or any other state. Study your state law further for more information. See “RV/Car Carry” Section Above for more information.
